

Lynda.com – Courses & Online Tutorials

Lynda.com offers a wide range of online tutorials and classes. Class videos are available on many topics. You can take an unlimited number of classes per year.

Set up your Lynda.com Library Account:

- Go to www.Mentorpl.org.
- Click on the **Lynda.com** logo.
- Select **Create a profile**.
- Input your library card number and create a password for your account. Click **Create Profile** button.
 - Click **No, I've never had an account**.
 - Input your information into the boxes provided. Click **Save**.
- Find a topic/class.
 - Use the search box to look for a topic.
 - Browse topics by using the **Library** drop-down menu.
- Filter classes and tutorials by using the options to the left of the page. (Ex. Skill Level, Duration, etc.)
 - Learning Paths**: Prearranged class path to help student progress through skill sets in a logical manner.
 - Skill Level**: Filter classes by skill level and difficulty.
- Click on the course/tutorial to begin the video(s).
 - If you see a class you want, **+Add it to Playlist** so you can find it again in the future.

- To see your account, click on your name:
 - Playlists**: Courses you have added to play later.
 - History**: Courses you have taken.
 - Certificates**: Completion certificates you have received.

****Note:** If you sign up for a class that requires a specific program, for example: Photoshop or Quickbooks, you are responsible for getting that program on your computer. The library computers have Microsoft Office 2013 on them.**
