
Our Mission:

“Mentor Public Library is your community library. We foster lifelong enrichment by providing materials, services, and programs for literacy, learning, and pleasure in an environment of intellectual freedom and confidentiality.”

@ MOL City Hall

“The Little Free Libraries provide another way for the community to connect with the library and with each other. Take a book, leave a book—or just take a book. We are very simply promoting reading and reaching out to folks who may never have crossed our thresholds.” [Lynn Hawkins, Executive Director, Mentor Public Library]

The LFL's have become so popular, they are now a global phenomenon in 40 countries. For more information, including a map of U.S. locations, please visit their website at littlefreelibrary.org.
