## Flannelboard & Song: Campfire Pokey

You put your marshmallow in, you take your marshmallow out,

You put your marshmallow in and you shake it all about

You do the campfire pokey and you turn your stick around,

That's what its all about!

You put your hot dog in, you take your hot dog out,

You put your hot dog in and you shake it all about

You do the campfire pokey and you turn your stick around,

That's what its all about!

You put your popcorn you take your popcorn out,

You put your popcorn in and you shake it all about

You do the campfire pokey and you turn your stick around,

That's what its all about!
