IV. OLD BUSINESS

A. Public Closure Update

Mrs. Kuonen stated that the stay-at-home order is in effect until May 1, and that all public libraries in the State Ohio are closed and offering online services. After meeting with 30 other library directors, Mrs. Kuonen reviewed a draft 4-tiered plan for the MPL staff’s return to work and public services, stating this plan is subject to change and is a best-guess for now. Cleaning supplies, personal protection items (PPE), distance floor markings, and service desk shields are currently being ordered while awaiting guidelines from the State before implementing the tier schedule below. Reopening to the public is dependent on arrival of backordered cleaning supplies.

Proposed reopening plan in summary:

**Tier One:** Library staff return to work in May to get building back in order; library is not open to the public. Staff will wear protective gear and be monitored for health.

**Tier Two:** Drive-thru service at the Main Library and curbside service will be provided at the Branches for 2 weeks minimum. Staff will prepare building for the return of patrons and install floor distancing guides.

**Tier Three:** Reopen to the public with occupancy limits and PPE at each location. The Lake Branch’s status will be determined by construction status. No in-person programs will be scheduled during this time. This is expected to last several weeks and based on CDC and other agency guidelines.

**Tier Four:** Return to normal.

Mrs. Kuonen is drafting a Pandemic and Emergency Policy and Plan be reviewed by the Steering Committee.

Mrs. Majikas addressed revenue streams, stating that the PLF is expected to have a 20% reduction to the end of the year, and a slight reduction in the tax levy amount. The library has planned well for expenses and has adequate reserves for the rest of the year. Mrs. Kuonen expects the PLF to be reduced for the next several months, with a gradual return to normal for subsequent months. As the tax deadline was extended to July 15, library funding for May is delayed to August. The City of Mentor has indicated that the county’s normal collection dates for property taxes will remain, and Mrs. Snyder stated that the collection for the first quarter was more than anticipated. No budgetary decisions are being made by the Trustees at this time.
Mrs. Majikas added that the CARES Act makes no provisions for government agencies, and libraries may not qualify at this time.

B. Continuation of Calamity Pay for Library Staff

#20-042 RESOLUTION:
On a motion by Mrs. Maier, seconded by Mrs. Wantz, the Mentor Public Library Board of Trustees resolved to authorize the fiscal officer to continue to pay calamity pay to all Mentor Public Library staff for the regularly scheduled hours/wages for the duration of the COVID-19 pandemic requiring the Library remain closed, in accordance with the Bargaining Unit Contract and the Fair Labor Standards Act.

Mrs. Kuonen stated that the money to pay staff was already budgeted and they are working on a limited basis. In response to a question, Mrs. Kuonen stated that furlough is not an option in the labor contract. Mrs. Snyder added that if staff were laid-off and applied for unemployment, the library would be responsible to pay Job and Family Services a minimum of 50% of their payment to employees. The County Prosecutor’s Office is being consulted as needed. Mrs. Kuonen added that when the library does reopen to staff, everyone will be needed and approximately 1-2 weeks will be needed to get the library in order to service patrons.

Roll Call: Ayes (7) Mrs. Mervo, Mrs. Wilcosky, Mrs. Henninger, Mrs. Maier, Mrs. Wantz, Mr. Hyla, Mrs. Majikas; Nays (0). Motion carried.
