Foreword

Four years have passed since the "Class of '51" entered Mentor High as exuberant, over-anxious Freshmen. Then slightly more experienced, we became ambitious Sophomores.—As Juniors we sold scads of pencils, hot dogs, cokes and candy. Finally along about December we proudly displayed our "class rings."

Now we are graduating from these days of fun and studies into another part of our lives. As we glance through the pages of our annual, we see the underclassmen as we once were. So we leave the memories of our school days to you, in "The Cardinal Notes of 1951."

Still close to our hearts is a song that never was the top tune on the Hit Parade, nor was it part of a famous opera; it is our "Alma Mater."

Keep the Banners Waving O'er Us,
    Floating towards the sky.
We've a team that's fighting for us,
    Cheer for Mentor High.
Alma Mater, Alma Mater,
    When from thee we part,
We shall keep thy memories ever
    Woven in our hearts.
Dedication

For her understanding and co-operation, the "Class of 1951" dedicates this annual, "The Cardinal Notes," to Miss Eloise Stoner.

Hailing from Uhrichsville, Ohio, Miss Stoner attended Capitol University and Columbia University. She came to Mentor High School three years ago as a teacher of Spanish and English, and also became faculty advisor of the Annual the same year.

As hobbies our Spanish teacher likes golfing and tennis, and is seriously thinking of improving her golf scores. When eating out, steak and french fries will fill the bill.

Beware, ye careless students, for Miss Stoner's pet peeve is the general attitude of the students when they are asked to do something, even if it is for their own good.

Along with the job of annual advisor, Miss Stoner is the faculty sponsor of the Spanish Club, "Los Pajaros Rojos."
In Memoriam

We'll miss him, yes, but don't be sad that he has gone away,
For he has only come to the end of a happy, perfect day.
For wasn't he happy? Yes, he was—the happiest guy I knew,
As perfect as springtime, as joyful as wind, and as sweet as the morning dew.
A cheerful, happy, carefree friend, singing a snatch of a tune,
He sparked our days with happiness that we won't forget too soon.
He had a glow that shone from within, and a smile mischievous and slow,
He created a merry atmosphere and made friends wherever he'd go.
But he isn't gone, for his kind doesn't die when he departs,
So don't be sad, for don't you see? He lives within our hearts.

Administration

As the class of 1951 approaches its graduation, our nation faces a troubled and uncertain world. Throughout the history of our country, periods of unrest and conflict have come and gone. Through all of these years of struggle, our nation has grown in strength from the thirteen original colonies to become the great and powerful world leader of today.

During these years of uncertainty, our American youth have been called upon many times and in many ways to play their part in preserving our American way of life and perpetuating our heritage of a free democracy. They have never failed to live up to that expectation and have always stood ready to bear their full share of responsibility for our nation's future.

You, as members of the class of 1951, are graduating at a time when the years ahead are most critical and again our youth are being called upon to play an important part in the preservation of our way of life. As you look ahead, no matter what uncertainty threatens, always remember that man is still the master of his own destiny and not merely a puppet to be ushered to his doom by the hand of fate. The struggle which beckons you on to your greatest effort and highest achievements also rewards you with those successes so greatly coveted. It is for you in the years ahead to live your best and do your best; and while so doing, live the rich, full, gratifying life which will result in your greatest contribution to your future and the welfare of your country. May your years at Mentor High School serve as a worthy preparation toward this end.

This current time is sometimes called the era of specialists, or of specialization. Not only in the medical field do we have specialists for various ailments and conditions of the body, but in engineering, education, the military service, in law, in office work, in business, in industry, we demand especially trained people for specific problems or jobs to be done. The old-fashioned "jack of all trades and master of none" does not belong in our time.

That being the case, the wise student who is preparing in youth for a successful and happy future will lose no opportunity to qualify himself by hard work, worthy ambition, sound character, wholesome fun and recreation, and wise choice of vocation or profession, for what will be his adult place in our society. Student years well spent pave the way for decades of successful living; such years wasted, or spent in half-hearted effort may mean crippled and handicapped decades of adult life.

SENIORS

When election time came around in September, the seniors had a difficult time deciding who was to be president. Herb Teuscher and Ralph Wright ran a close race with the vote being tied twice. Herb finally won by a slight margin and Ralph became the "veep." Barb Succi recorded the "doings" of the meetings while George De Vaull tried to keep the financing straight.

Grease paint and powder disguised many faces as "Professor, How Could You," was produced. Much business went on during rehearsals, especially monkey, but both cast and crew co-operated to produce that three-act comedy that we'll never forget.

Despite cold, rain, and high water, Queen Terry and her attendants, "Skip" and "Mugs", reigned at the homecoming game with mums for umbrellas.

Seniors pictures were taken — with much disappointment at the outcome. But, gee, we can't all be Hollywood bound.

No doubt, you didn't escape the sleuthing seniors as we sold Christmas cards and stationery. This is the way we made our first million.

On May 19, everyone forgot his woes, and we danced the evening away at the Junior-Senior Prom.

At last, our goal. It is May Graduation night, and all realize it has ended too soon.

Juniors

The juniors had no difficulty in raising money with all their excellent salesmen. Their refreshment stand produced a nice profit at football games, and what would we have done without those handy junior pencils? The juniors look forward to the month of May when the prom rolls around for this is the reward for all their hard work.

Sophomores

The sophomores moved one more step up the ladder of knowledge. They proved their showmanship in their beauteous Moonbeam Ball, which was a huge success. (There are still a few stars floating around.) They continued displaying their athletic and musical skills and proved to everyone’s satisfaction that “brains” are not lacking in the class of ’53!

Freshmen

The freshmen entered our halls last fall with faltering steps and big ideas. A large class, divided into four homerooms, the frosh soon proved they wanted to be a part of M. H. S. Going out in front in the noon intramurals made them top-grade! Their “Guys and Dolls” dance in the spring wound up a successful year for the “green freshmen”.

ATHLETICS

Two new coaches, Mr. Tressel and Mr. Roberson, were aided by Mr. Traxler in bringing Mentor’s football team up to par.

The team looked good on the field for the first game as they handed Mayfield a 46-0 decision. They won their second game of the season against Chardon, 59-0.

Ashtabula Harbor fell to Mentor, 34-19, in a thrill-packed game. This was the first league game won.

Hard times hit the team several times during the season, but they pulled through in fine condition.

The season was climaxed at the annual turkey banquet when nineteen players received their letters.

Along with colder weather and snow, comes basketball season. Ben Mahnke and Ralph Wright, the only returning lettermen, greeted “Stretch” Roberson to Mentor.

Height seemed to be the advantage of the Mentor quintet, on both the reserve and varsity. They started out slowly, but once they got started, there was no stopping them.

The outstanding weekend for the squad was probably the Friday and Saturday they beat Ashtabula Harbor and Conneaut.

Geneva almost fell to Mentor but won in the second overtime. Another close game came when Mentor again lost to Painesville by one point.

Our hats are off to a great team and coach who made Mentor, again, a name to be reckoned with on the basketball floor.

Sunshine and warm weather bring around another track season with lots of hard work, sore muscles, etc. The Lake Shore League Meet and Mentor Relays highlight the track season which is the last sport participation for seniors. The season ends successfully under Mr. Howells’ guidance.

Girls' Intramurals

The first crisp, fall days opened the intramural season. Hockey and soccer were played on the nicer days, and volleyball filled in on rainy days.

Nineteen fifty-one brought interschool basketball games for all the class teams. Then the All-Star team was chosen and the members participated in the Lake County All-Star Play Day.

Badminton, ping-pong, bowling, archery, track, and baseball filled in the spare moments. Intramural night came and the winners of some of these sports were revealed.

Yes, most of the girls joined the Girls' Athletic Association, and swapped their gym suits for formals the night of the Christmas Formal, "The Marshmallow Whirl." But the best feature was the G.A.A. award they received at the end of the year for athletic points earned.

Officers were Gerri Hodgins, president; Barb Behrendt, vice-president; Joan Reed, secretary; and Barbara Merrick, treasurer.

ACTIVITIES

If we stop to think a moment, memories of the past year flutter into mind.

A new trophy now stands in the trophy case. It is the magazine drive trophy. The whole school banded together and again came out on top.

Scholarship, Leadership, Character, and Service triumphed as ten seniors and six juniors were initiated into the National Honor Society — The Lake County Scholarship Club Banquet was held on February 15.

The Varsity M contributed to the Medical Fund by sponsoring a carnival. The '51 football team helped the Summer Camp Fund by collecting scrap paper.

Dale R. Rice's Future Teachers Association visited the health museum . . . the Hospitality Committee welcomed all speakers . . . The Y-Teens kept busy raising money, helping others, baking cookies, and sending chocolate bars overseas . . . Interesting assemblies were chosen by the Assembly Committee.

According to tradition the twenty-third annual Mentor Relays were held on the Memorial Field and last of all came Awards Day when even the most trivial activities came to light.

TYPISTS
Editor-in-chief Barb Merrick and her staff succeeded in making the school paper "better than ever."

September through May brought Press Days, hurried assignments, proof reading, head-writing, and many other worries to the staff.

News wasn't plentiful, but every nook and corner was searched out by the many editors.

The motto, "If at first you don't succeed, try, try, again," was adopted by the writers when the editors made them rewrite many stories.

Troubles subsided for the Seniors for one issue as next-year's editors gained experience with the "Junior Issue."
Three cheers for President, Tom Houston, and all the rest of the ambitious Student Council representatives, who kept our school intact all through the year with their student government system. They make the laws and we follow them.

September and October brought the outdoor clean-up campaign and a new student government system was installed in February.
Seniors started off the year dramatically with their rollicking comedy, "Professor, How Could You!" on November 17.

At the first meeting in September Gerri Hodgins presided, Beverly Fowles planned the program, Barbara Merrick hurriedly took down the minutes, and June Peterson collected the dues.

In November the Thespians attended the State Convention in Canton, Ohio. December brought the Thespian initiation just one month closer. In January, seven hardy souls attended the production, "I Know My Love," at the Hanna Theatre, and a theater party formed on January 17, to see the Karamu Dancers.

The second semester brought the Little Theatre Group play, "A Young Man's Fancy," on March 16 and the Junior production triumphed in May.

Everyone enjoyed the spring concert, and memories flooded back to the seniors as they closed the year by singing at Baccalaureate.

The Boys' Ensemble was greeted with enthusiasm wherever they appeared. Age was of no consequence; they entertained all ages. "Coney Island Baby," "Kentucky Babe," "Santa Claus Is Coming to Town," and "Rudolph the Red-Nosed Reindeer," were among the favorites of their audiences. They practiced faithfully three times a week all during the school year. They were not only a credit to our vocal department but also a credit to our school.
After winning first and second place in the state contest and taking top honors at Kent State University for two consecutive years the M.H.S. Band traveled to Baldwin-Wallace this year to again compete for these honors.

Braving wind and weather the Band was continually on the job during half time at all home football games. Hours of work borne by Mr. Nordman and the band members made these shows possible. The band supplied music for assemblies and the swing band made a good name for themselves by playing for our dances.

Here is another department that deserves your cheer.

An exchange of gifts high lighted the Christmas potluck supper. Helen got a hankie — George got a pen that didn’t write — Mr. Phillips got a new nose with glasses attached.

Last Will and Testament

We, THE CLASS OF 1951, of Mentor High School, Town of Mentor, State of Ohio, being of sound mind (although some people think otherwise) and memory (even if we do forget quotations), do make, publish, and declare this our last will and testament, in manner and form as follows:

Article I. To the school in its entirety we leave fond memories of our many successful endeavors and failures that have made us unparalleled by any previous graduating class.

Article II. To the faculty we leave remembrances of our numerous angelic deeds and pious attitudes in hopes that they do not become too nostalgic at our departure.
