Cardinal Notes

Presented by the Class of 1957
Mentor High School
foreword:

join
our famed cardinal
as he sings
our
alma mater,
words and music
praising
the school
which has been to us
a trial,
of our minds, our
muscles,
and,
sometimes, our tempers;
which has been
a chain,
binding us to daily
observance of rules, holding
us willing captives,
helping us
to help
ourselves ——
a source of pride,
a key to
new worlds.
MRS. BERYL BUHLER

O thou that from thy mansion
Through time and place to roam,
Dost send abroad thy children,
And then dost call them home.

That men and tribes and nations
And all they hand hath made
May shelter them from sunshine
In thine eternal shade.

We now to peace and darkness
And earth and thee restore
Thy creature that thou madest
And wilt cast forth no more.
dedication:

alma mater,
to you, as you are
now
and never
the same will be,
we dedicate
this,
the journal of
our last
year.
Alma Mater

Keep the banners waving o'er us,
Floating toward the sky,
We've a team that's fighting for us,
Cheer for Mentor High!
Alma mater, alma mater,
When from thee we part,
We shall keep thy memories ever
Woven in our hearts.
Keep The Banners Waving O'er Us.
Floating Toward The Sky
We, the class of '57, look towards our graduation with hope for the future and pride in our Alma Mater. Yes, we are proud to graduate from Mentor High School, for we know that it is the finest. Mr. Dale R. Rice, Superintendent of Mentor schools, deserves our sincerest thanks and appreciation for his very important part in making our school what it is today.

Mr. Rice became the Superintendent of Mentor schools in 1924. Before coming to Mentor, he was Superintendent of Schools at Maumee, Ohio. Since coming to Mentor, Mr. Rice has worked devotedly and faithfully to attain only the highest of standards for our school. He sees to it that we are given every educational opportunity possible, that we may become worthy and wholesome citizens of our city, state, and country. It is for these reasons that we, as members of the Senior class, as students of Mentor High School, and as citizens of Mentor, say once again, simply, “thank you” to Mr. Rice for his loyal service.
Just as we are proud of our Alma Mater, we are proud of her principal, Mr. Ellis M. Hostetler. He has been our principal since 1942, coming to us from Louisville High School in Louisville, Ohio.

Although Mr. Hostetler is kept very busy with his many and varied duties as the head of our school, he always seems to be able to find enough time for a smile or a word of encouragement when we are having difficulty. He symbolizes the friendly and sincere spirit surrounding our school. We will always be thankful to Mr. Hostetler for his understanding and as we graduate we may well look back on his ideals and standards for patterns to guide us in future years.

Mr. Andrews is one of the best-liked and most respected persons at our school. He has many responsibilities. He aides Mr. Hostetler in the office as Assistant Principal, schedules all of our sports contests as Athletic Director, and also teaches chemistry. Still he has time to help students with their problems and assist the entire student body in innumerable ways, for which we offer to him our deepest appreciation.

We all have many problems, most of which we can solve ourselves, but sometimes we need assistance and understanding from someone else. Miss Davis has always been one to whom we may turn. She has earned the lifelong respect of many students in her role as Dean of Girls and Senior Class Advisor. Miss Davis is also the girls’ physical education instructor and supervisor of the girls’ cheer leading squads.

We've A Team That's Fighting For Us...
Football

1956 proved to be the year when Mentor’s spectacular Cardinals almost accomplished the most important thing in local modern scholastic football. They came within one game of immortality as they extended their fantastic winning streak to 37, one game less than that of the state record.

Under the competent staff of an almost entirely new group of coaches, they completed a successful season with seven wins and two losses.

The only veteran of the staff was assistant coach Ray Hickerson, who along with assistant coaches Hal Ray, George Rosacker, and Clarence Reese, helped head gridmaster Armin Riesen.

Co-captains Jack Bradenbaugh and Ray Tomazic, along with the remainder of the squad, were defeated for the first time in four years at the game, which, if victorious, might have meant a new state victory mark. However, the Redbrids could not win, and their streak of 37 was one short of the desired goal of 38.

Mentor’s gridiron coaches, “the four R’s and an H”, are to be complimented with the accomplishment of producing a successful squad after an earlier prediction of a five victory season. Mentor surprised everyone but the Cardinal fans as they increased the victory streak, week after week, until the thirty-eighth game. The Cards went on to win the remaining games scheduled with the exception of one. Thus, the season left them with a margin of four victories over the earlier prediction, a fitting tribute to a magnificent group.

Practice - practice - practice — this is one necessary ingredient for a successful football season. The boys on the team can be seen out on the field practicing vigorously as early as August. They really put their hearts and a lot of time into these daily practices. By looking at our fine football record, it is easy to see that this time was certainly not wasted. It pays off in a better physical condition, greater skill, longer endurance, and better teamwork, which together with a fighting spirit and desire to win, spells success.
MANAGERS

The unsung heroes of Mentor High could well describe a group who prefer to be managers rather than active players of an athletic team. Their function is one which takes a lot of work and much energy. They do anything from taping ankles to being statisticians, keeping the fields in shape, taking care of equipment and uniforms, and acting as messengers. They are always around when needed and are among the most enthusiastic supporters of the team.

The managers are an important part of a team, one which could not be done without. A fitting tribute to these boys would be one which proclaims they have done a good job. It is not a post of fame, but one of satisfaction of being part of the squad.
Basketball

Without doubt, the most popular of indoor sports is basketball. With Mr. Clarence "Coogan" Reese instructing for the first time, Mentor takes a very active part of the local cage scene. With fiery captain Doug Cotterman leading them, the Redbirds make every game with the league leaders or the cellar dwellers a battle.

Mr. and Miss Mentor Cardinal fans filled the Redbird and their opponents' gymnasiums each time a game was played, anticipating the thrills and action of this American sport. The season has not been a championship one, but a successful one nevertheless.

The sport typifies hard physical exertion, skill, and sportsmanship, and nowhere is this more true than at Mentor, where the five players seek fame for the garden spot of Ohio. The king of winter sports is received enthusiastically by all and is held to be one of the most important sports played.
COURT STRATEGY

"Judge" Reese is laying down the law to his court-men. He is rendering a decision concerning the infractions of the court rules and encouraging them to score more often for a final victory. Mentor's court-men are: Sorber, Cotterman, Shanower, Long and Lockhart.
Basketball Shots

SCRAMBLE

Fight, team, fight . . . That is just what these boys are doing, as they try to recover the ball from their opponent.

JUMP

Up and away. This describes Mentor's center forward as he springs to tap the ball to awaiting teammates.
Reserve Basketball

The future varsity members of the basketball squad are made up of a group of boys who are on the reserve team. These boys train and work out with the varsity, but have a complete schedule of games with other reserve teams. Usually these are the reserve teams of the varsity quintets who play the Cardinal’s varsity. Some of the junior varsity players are good enough to be a part of the varsity as well as the reserve. They gain valuable experience which they might not have if they were just a part of the varsity team.

With Coach Ray Hickerson giving them the know how, the boys play their best with the intention of finally advancing to the varsity team. They are a valuable and necessary part of a high school basketball team.

A national institution in Mentor is sports — which is the king of all activities, and good sportsmanship, which is the queen. King over all spring athletics is track. With a rich schedule of meets, Mentor has had its share of success in the popular pastime. The Cardinal cindermen are strong in the strength and relay events. Mentor has taken honors in the Northeast Conference and the Mentor Relays, sponsored by Mentor High School. These relays are the oldest in the state of Ohio.

Head track coaches, Mr. Armin “Pete” Riesen and Clarence “Cogan” Reese have been a great help to all the boys who comprise the team. During track season they can always be seen at the starting line or the shotput ring watching and correcting the Redbird thin-clads. The coaches and their squad make a combination which is difficult to defeat.

Coaches Reese and Riesen
Track is a sport for individuals and the Cardinal team is rich in single competitors. Heading the list of auspicious varsity members is a fellow who recently broke the district discus record. Doug Cotterman is also an audacious shot putter. Two other members of the shotput discus trio are Don Kovach and Peter Ramins. In the sprints Ray Tomazic is a good competitor. In the distance races is Dave Espie, in the 440, big John Hagy; the broad jump Ray Kraus, hurdles Knox Johnson; and the pole vault has Doug Cotterman and Jim Kampfe. These boys are the nucleus of the Redbird team.

Baseball

Mentor’s edition of the National Pastime is one of the newer of varsity athletics. Under the Cardinal diamond’s hearty instructor, Coach Hal Ray, the Redbird nine are one of the league threateners of the baseball crown. With their colorful uniforms the Cards compete with trackmen for the student following. The old adage, “play ball,” is just as standard a part of the Mentor scene as it is across the country.

Mentor plays its games at Hanna Field, which is south of the high school. Because of the great popularity of the sport, it is necessary to cut the squad to the most promising players.

The favorite game of millions of Americans is cemented firmly in the minds of Mentor’s scholastic enthusiasts. Although track seems to be favored by the student body, baseball has a lasting place at Mentor High School.

Wrestling

WRESTLING TEAM

For the first time in the illustrious history of Mentor High School’s annals, a Cardinal wrestling team has been inaugurated. The Mentor matmen had a complete schedule of inter-scholastic meets in this very popular event. Under the exemplary direction of coach Armin “Pete” Riesen, the sport offered an opportunity to those boys who desired a winter sport activity. Senior, Don Kovach was the first wrestling captain.

The team has done remarkably well for the first season with several meet victories. Coach Riesen and his entire team is to be commended for bringing to Mentor a new and different sport thrill. We are indeed indebted to be able to witness a Cardinal wrestling team.

G. A. A.

For all the girls of Mentor High School who are interested in sports, the G.A.A. is an ideal club. G.A.A. signifies the Girls' Athletic Association. Over 90% of the girls belong to the club. Their activities include participation in any of the intramural sports: hockey, soccer, speedball, badminton, track, ping pong, horseshoes, volleyball, baseball and basketball; or in any after school sports such as roller skating, swimming, or bowling. Activities of the club also include the presentation of one of the finest dances of the school year. It is called the G.A.A. Formal and always takes place in December at the school gym, which is unrecognizable under the layers of gay Christmas decorations.

G.A.A. creates a feeling for good sportsmanship and gives the girls the opportunity to work together as a team. Through the Big Sister program, sophomore girls become acquainted with Mentor High with the help and understanding of the junior and senior girls.

Reigning over the homecoming festivities this year was Judy Hancher. Judy, as well as the other girls in the court, is a senior. To be homecoming queen, a girl is first nominated by the football team. The entire student body then votes to select our queen. In an assembly, held the day before the homecoming game, Judy was presented with the football which was to be used in the game. The night of the game, according to the traditional and beautiful homecoming ceremony, Judy was crowned queen and presented the football to our captain on the field. She then retired to the grandstand to reign over the game.

Sometimes in the preparation of a yearbook we are apt to forget the main reason for going to school—to study.

The principal departments of study are as follows: language, including English, Latin, French and Spanish; math, under which is algebra, trig., plane and solid geometry, and general math; science, including biology, physics and chemistry; business, among which are shorthand, typing and bookkeeping; the social sciences, history, civics and social problems; home ec. and industrial arts. Also included in our busy program are the courses in car driving, photography, art and public speaking, all of which aim to make better citizens of Mentor High School students.

Band

Mentor High’s band is one of which we may be truly proud.

During football season, the band could be seen out on the football field every day, practicing marching. They marched at every football game, presenting a fine show, often in rain or snow. They certainly did their part to add pep and spirit to the games.

During the winter months they began practicing for their concerts, and the state and district contests. The band presents two concerts each year, one at Christmas and one in the spring. For the past several years, the band, under the excellent direction of Mr. Nordman, has received a superior rating at the district music contests, and has received an excellent rating at the state music contests.

There are several smaller bands for special events. Students with particular skills or interests may become a part of the Dixieland band; the swing band, which plays modern music; the assembly band or the pep band. These bands have added enjoyment and spirit to almost all of our assemblies.

We will never forget the fine job Mr. Nordman and the entire band have done this year.

HIGH SCHOOL BAND
The Mentor High School choir, directed by Mr. Henck, is the most exclusive music group in school. Their many activities throughout the year include participation in the Installation Assembly, the Thanksgiving Assembly, the Easter Assembly, and Baccalaureate and Graduation.

Interstate competition makes up another part of their busy schedule. They compete in the district music contest, then, if a high rating is received, go on to the state contest. For the first time this year they participated in the City of Willoughby's Christmas festivities.

The two main events for our choir, for which they prepare all year are the Christmas and Spring Concerts. A highlight of the Christmas Concert was an arrangement of the hymn, "God of Our Fathers," which combined the choir and band.

Officers were elected to conduct the business end of the choir. They are: President, Bev Miner; Vice President, Vance Roth; Secretary, Alice Stout; Treasurer, Sandy Prim.

Student Council

Following our national plan for government by the governed, our Student Council, made up of representatives chosen by the student body, does a praiseworthy job as a ruling body of the school. Among their duties are included: the setting up of a clean-up campaign, the forming of a student court, the selecting of a guidance committee, and the forming of a traffic committee to help solve such things as the parking problem and being sure all cars driven to school are in good condition.

This year the Student Council, with the aid of the faculty, selects a student of the month each month. This is always a student who has shown outstanding service and leadership during that month.
Key Club

The Key Club is one of the most respected clubs in the school. It is for boys only and it functions in affiliation with the Kiwanis Club. In order to be in the Key Club, boys must have a high scholastic standing and be active in service to the school. The Key Club does much to promote good-will and they perform many valuable services to our school and to the community. They are rewarded by the respect they earn in doing this.

These students work hard all year to achieve their grades and should be congratulated for their fine work.

Those students who are elected to become members of the National Honor Society are tapped in an impressive ceremony which is held annually in February. Fifteen per cent of the Senior Class and five per cent of the Junior Class are elected to this organization.

Being a member of the National Honor Society is the highest honor Mentor High offers to her students. Many excel in one particular field, but in order to be in NHS one must excel in Scholarship, Leadership, Service, and Character.

Those students chosen for membership in NHS during 1956 (in their junior year) are pictured above.
F. T. A. Club

F.T.A. stands for Future Teachers of America. Students planning to go into the teaching profession are urged to join this club. Often at meetings guest speakers give them information to guide them. The club also takes field trips to neighboring colleges to get an idea of what college life is like. Students are allowed to conduct classes at the elementary school and in this way gain valuable experience for later years. Our F.T.A. is a member of the national organization of Future Teachers of America clubs.

F. B. L. A.

Future Business Leaders of America, F.B.L.A., is a club for any students wishing to go into the business field, providing they are taking at least one business subject. This club is a branch of the United Business Education Association. They meet once a month and have planned programs which contribute to their business background. They also hold an annual banquet.

Officers: B. Miner, President; Bob Tuikkia, Treasurer; Carol Shemenske, Secretary; Ray Hull, Vice President.
Boys who have won a letter in either football, basketball, baseball or track, are eligible to be in Varsity M. New members are given a formal initiation. The club works for the betterment of Mentor High School athletes, urging the best in relations among the students and promoting fine cooperation between athletes and faculty. Their services are appreciated by all. The Varsity M., with the aid of several other school clubs, is responsible for the beautiful new flag in our auditorium this year.
Pep Club

Cheering our teams to victory in all the sports in which we participate, is the main activity of the Pep Club. Anyone who is an enthusiastic backer of our teams is welcome in this club. Members come to every home game which they can attend and form car caravans to the “away” games. They also decorate the goal posts for all football games. This club does an excellent job to promote good-sportsmanship and real school spirit among the student body.

Officers: Carol Skaza, Vice President; Debbie Barbieri, President; Sally Campbell, Secretary; Tim Syrene, Treasurer.
Thespians

Showing outstanding service in two fields of drama, makes one eligible to the National Thespians Society. A student must do actual acting on stage in one or more of the fine plays presented at our school auditorium each year. In addition to this, one must show skill in working backstage also, in at least one play. Those interested in dramatics are proud to be members of this honorary club.

To present our alma mater with the very best annual they can, is the aim of the annual staff. The members of this staff, under the very helpful and appreciated sponsorship of Miss Stoner, worked diligently planning months ahead. Since the annual is entirely a student project, the staff was responsible for the planning of the layout, obtaining the desired pictures, writing of script, handling all of the business, artwork, and all of the many other jobs which were necessary to edit this annual. It was a lot of work, but also fun and valuable experience for these students.

Mentor Hi-Lites

A new paper launched in the beginning of 1954 has now become known as the Mentor Hi-Lites, the Com-Mentor's sister paper. It was instigated and backed by the Willoughby News-Herald. Loyal Mentorites have witnessed the Hi-Lites climb from no particular format to one full page.

Under the capable direction of Alice Atzberger and Ira Ramsins, as co-editors, this new, and incidentally nameless paper started on its road to being a newsy and interesting paper. A good deal of growing was accomplished during the remainder of the year 1954.

Suddenly in the fall of 1954, under the fine leadership of Carol Hancher and Helena Taylor, the paper gained a well-suited name, the Mentor Hi-Lites; and she kept expanding with tremendous growing pains. In no time at all this novel idea had become a successful and rewarding venture. The Hi-Lites gained a two page format.

Perfection and addition was the goal in 1955-1956 school year with Marge Dice and Gwen Stephens at her helm. Joe Nigg, the very dependable Sports Editor shouldered more responsibility, and this position became a more important role in the paper than ever before. Another valued addition to the Hi-Lites in this year was an Associate Editor. This new position was filled by Roberta Elliston. During the year the Hi-Lites gained the worthy title of the Com-Mentor's sister paper.

This year, 1956-1957, with co-editors Roberta Elliston and Carol June; Associate Editor; Joan Rees; and Sports Editor, Tom Ashton has proven itself a good year for the Mentor Hi-Lites. The Hi-Lites has grown in popularity, stature, and has offered the reporters a better chance to gain more knowledge about newspapers.

In these few years the Mentor Hi-Lites has offered worth-while and thorough news to the entire community; and it has rightly gained the reputation of being a prominent factor in supplying Mentor High news to all of Lake County. As the school has grown, the Hi-Lites has also grown - in popularity, in experienced writers, and in perfection.
GWEN STEPHENS - Miss Mentor High

Each year, the faculty chooses the outstanding senior girl and bestows upon her the title of "Miss Mentor High." She is chosen on the basis of her scholarship, leadership, and character. This year the faculty has chosen Gwen Stephens for this great honor. Gwen has been very active throughout her high school career and is well-liked and respected by all. According to tradition the student body learned of the faculty's choice when Gwen was presented and acted as Mistress of Ceremonies at the annual Installation Assembly.

We know that Gwen will be successful in future years and we offer her, Miss Mentor High, our heartiest congratulations.
When From Thee We Part...
Senior Class

A truly unforgettable year for the seniors! That is what this, our last year at Mentor High has been. For the third successive year, Mickey Ray tapped the gavel at our class meetings. Second in command, acting as president pro-tem, or in his usual capacity as the program chairman, was Jim Shanower. Peggy Armstrong filled the position as secretary, handling the minutes of the meetings and the correspondence. Keeping record of our treasury was the job of George Horen.

In a class of firsts, others were yet added. Encouraged by the Senior Class, Student council elections took on a new aspect. For the first time the elections were conducted just as elections on a national scale, including speeches, campaigning, and banners. At the homecoming game, the Senior Class, for the first time sold mums, and the project was a great success.

We had another great success in our class play, Twelve Angry Women. Among other activities our class presented, as in years before, an excellent senior assembly, and sponsored a memorable homecoming dance.

Our Senior year has been our busiest, but most enjoyable year. After this year many of us will be leaving to commence our college careers, while others of us will be taking jobs in various fields, but whatever we do, we will never forget our Alma Mater, the wonderful years we spent here, and the friends we made.

Junior Class

John Zito was elected to the highest position in his class this year. Acting as his vice president was Bob Blankenchaen. Carol June took minutes and Bill Williams ran the treasury department.

The high-light of the junior year was, of course, the Junior Prom. Work began on this gala event early in October. After much controversy, Madison Country Club was selected as the best place to hold the event.

Their active participation in class activities have achieved for them a productive year. They efficiently ran the junior concession stand, making a sizable profit to add to their treasury. “Down to Earth” was the title of the comical play which the “Angels” produced during mid-March.

The good times and busy schedule of the Juniors was abruptly interrupted and saddened by the sudden death of their beloved classmate, Larry Wheat. Out of this experience the juniors emerged more mature and with greater understanding of life.

All their experiences this year are only a beginning of the year to come, when they will be the leaders of Mentor High School.

Sophomore Class

1957 was the first year in Mentor High for the members of the Sophomore Class. They have the largest Sophomore class ever to attend our school. Even though they are large, they found themselves somewhat lost and confused by strange surroundings and unfamiliar faces. It did not take them long to become acquainted though.

At the beginning of the year they chose their officers. They elected Ralph Wellington to lead them through their first year at their new Alma Mater. As second in command or program chairman, they elected Bob Roy. Faith Jarvis took the minutes as their secretary, while Judy Clark, class treasurer, collected the money. These officers did an excellent job in conducting the meetings in an orderly manner, planning interesting programs for the meetings, keeping accurate records of proceeding, handling correspondence, and keeping careful accounts.

The Sophomore class is not only large, but it promises to be a very active and successful class. They have shown that they have the attitude necessary for success in the rapid and friendly manner with which they became familiar with our school and made friends. Showing that they were an active class was very easy. Their wonderful participation in sports both on the field and in the cheering section, and their success in school activities such as the magazine drive show that they really have the spirit to work, to fight, and to win. We know that their remaining years in high school will be just as successful and we wish them the best of luck in carrying out the high ideals and traditions of their Alma Mater.

Our School Spirit
To the students of Mentor High:

"We're from Mentor High School, and no one could be prouder . . .”

We feel that your spirit and sportsmanship during the 1956-57 sport seasons were over and above anything ever shown before. Your reaction to the pep assemblies and your enthusiasm at the games made us "burst" with pride. Your pep and support particularly at the University game was a thrill that will not be forgotten.

As cheerleaders of Mentor High and on behalf of the team, we would like to thank each of you for your cooperation and loyal support.
