Karen is an RN and truly loves her work. While not ready for retirement yet, she has many activities to keep her busy when she does retire. While gardening, music, reading and photography occupy her spare time, she will be awaiting a very special Christmas present this year with the arrival of a new grandchild to join Alek 12, Max 9, Chase 9, Jake 7, Koi 2, and Addy 9 mos. Of course, grandchildren are usually the first topic of conversation, however we must mention children, Robert, Deborah, Mary Katherine, Maureen and Matthew.

Pat is an RN working part time. Art is retired. Children are, Carolyn, David and Calvin. Since Art is a train buff, they took a train trip through Europe in 2000. They are enjoying living out West. Pat's activities include church, yoga at the gym, traveling, bridge and is currently writing a book.

Frank and Dorothy have been married for 36 years. Children are Maria, Kari, Kathleen, Michael. Grandchildren are Ashton Rene and Reese Wm. Dorothy is an RN and teaches nursing in Ashtabula. Frank received his BA at The College of St. Thomas and also attended Wisconsin State U. He retired in 2002 after teaching for 33 years. His numerous awards and accomplishments read like a who's who of Lake county Ohio. We are extremely proud to claim Frank as our classmate. He also excels in painting and cooking and has taken time to travel to Italy, France, Germany, Switzerland, Norway, Mexico, Ireland, England, Wales, Greece and Scotland. Look for Frank's name in the Mentor High School Hall of Fame to which he was elected in 1999.

Bob did not want to chance our creative bio so he wrote his own this time. He and Mary celebrated their 40th anniversary on July 6th. After MHS, Bob attended Kent State, Hiram College, Lakeland and Lake Erie. Both Bob and Mary are now retired but are always on the go. Children are Karen, Connie, Sheri and Diane. Grandchildren are Shawn, Kyle, Rachel, Amber, Todd and Ryan. Kyle, Rachel and Amber also claim John and Judy Hagey as grandparents. Mary enjoys golf and Bob goes along just for the frustration. His game is bowling and he rolled his first 300 game this year in January and followed up with a 298 the next week. Grandkids' activities fill their days and nights but they found time to travel to Ireland in 1992 for which they still have fond memories. Also tripped to Missouri to visit the Loretta Espie family and to California from the South of the state to the North. Bob is one of our faithful members of the reunion committee when he can remember what night we are meeting.

Joe earned his degree from the School of Hard Knocks but has a successful wholesale business which takes him to the Dominican Republic. He enjoys boating, sports and playing with his grandchildren. A significant event in his life was meeting Nancy. Joe's story is that when he purchased his condo in Columbus, Nancy who is the condo association manager put the squeeze on him and hasn't let go since.
