Linda,
Don't forget that we were always fighting.
You are all grown up now.

God Bless you.
Joan

Don't think about me.

Always stay in touch.
Remember to write.

I hope you have all the fun.

Bless you.

Love,

Linda,

To the sweetest girl I have ever had. I hope it will be forever. I will always do things together this year. I will always do things together this year.

Best of luck to you. You have a wonderful personality and a way of making me do things that you want to do. Always continue to like you and be nice as you change. I hope you always have a wonderful life.

But if you change, your old friend will be there.

May God bless you and rest of your days.

P.S. One of the best kids at Mentor High School. Remember all the P.S. parties and all the other things we have gone to. Remember homeroom 152. This is the first year I have known you but I hope we are the best of friends.

I hope you have a great senior year at Mentor High School. You will always do great things.

Always a friend,

Judy Yonts

Foreword

Brick and mortar rising red there
Hours of labor being dead there
Sophomore classes being led there
Tones of knowledge being said there
And the spirit forges the chain.

The building, with a building countenance, bare
In which we all must some life share.
Developing a means to live, to fare
Developing the sense to know, to care
And the spirit strengthens the chain.

Years, hence, a reminiscent glance will stare
Back to the memories encountered there
Though spread apart, alumnus thoughts declare
In unison, oft times, with melancholy air,
"And the spirit keeps strong the chain."

As we ponder these meaningful words, we naturally review the many unforgettable events of our life in school. Among the last of these was the drastic change in our clothing styles as fashion designers decided to take us back to the era of the "Roaring Twenties." Consequently, we have decided to make that illustrious decade the theme of the Cardinal Notes of 1959.
Dedication

MISS DAVIS

At times, we all have problems, some of which we cannot solve alone. It is then that we need the assistance and aid of an experienced person. Miss Davis, who has always been willing and understanding, is the one to whom we may turn. She has earned the highest regard of many of the students. Among her other activities, Miss Davis is the Dean of Girls, Senior Class Advisor, Supervisor of the Cheerleading Squads, and instructor of several physical education classes. In appreciation of all the help she has given us, we dedicate our "1959 Cardinal Notes" to Miss Davis.

We, the class of 1959, are proud to welcome Mr. Zinser to our community and to the position of Superintendent of the Mentor School System. Graduating from Mentor High makes us proud for we know that it is the finest of schools; and, you, Mr. Zinser, have helped make our year a most wonderful one.

In only one school term there have been many wonderful changes in our school system. These improvements have been accomplished because of the great desire of Mr. Zinser to help students in any way possible. Thank you, Mr. Zinser, for your greatly appreciated leadership.

BOARD OF EDUCATION

Mr. Briggs, Mrs. Brumbaugh, Mr. Zinser, Mr. Ware, Mr. Brown, Mr. Shadle, Mr. Vaughan, Mr. Harrison.
We, the students of Mentor High, are proud of our school; and, we are equally as proud of our principal, Mr. Hostetler.
Growing first in population, and then in size, our school more and more requires full time guidance for its intricate system of activities. Mr. Hostetler has capably met each challenge. Although he is kept very busy with his many duties, Mr. Hostetler always seems to be able to find enough time for a smile or a word of encouragement.
His integrity and guidance have gained him the respect of the class of 1959.

In recent years Mr. Andrews has found an ever changing role to play. Moving from chemistry and physics teacher to Assistant Principal, Mr. Andrews has become one of the most respected persons in our school.
Mr. Andrews symbolizes the friendly and sincere spirit surrounding our school. His understanding of student problems has earned him a devoted spot in the hearts of Mentor High pupils.

Whenever we have large problems there is someone special to whom we may turn — Miss Davis. Her understanding and assistance in combating social and personal barriers are greatly appreciated. Miss Davis' counsel has earned her the life-long respect of Mentor High students.
Besides her advisory duties, Miss Davis supervises the cheerleading squads and serves as Senior Class advisor.

We thank our cooks and custodians for their never-ending service to our school and students.

Under the leadership of Mr. Beavers, the custodians do a fine job of keeping Mentor High in order.

This year Mrs. Chapius heads our cafeteria staff. Much to the thanks of Mentor High students, the capable ladies under her authority have completely revised our lunch room program this year.

The year 1958 was a memorable one for the Mentor High School football squad. Besides becoming co-champs of the N.E.C. league, they compiled a remarkable record in their lack of physical injuries both during practice and games, and provided northern Ohio with a few "Press Stars" and all-Ohio players. The long season of diligent and rugged practice reached a climax on a very muddy field one night in November when the Cardinal gridmen met their arch rival, Harvey High School, and slogged on with superb come-back prowess to a fateful 14-14 tie. This perseverance and hard-nosedness exemplified perfectly the spirit of the players, and the game will be remembered as a tribute to the strength of Mentor High School. New developments and moral-builders created by the coaches included simplification of intricate blocking maneuvers, a superior game-night meal program, and the presentation of a "Flaker Award" to the loafer of the week. Fortunately, there was not extensive competition for the latter.

Although wrestling has become very popular in recent years, Varsity Basketball is still the major winter sport. The large enthusiastic crowds that attend every game signify that Mentor fans are behind their team whether they win or lose. Moreover, anyone who has attended a Mentor High basketball game knows that the Cardinals always afford good competition to even the top teams. In fact, this year most of Mentor’s losses were heart-breakers in which the game was not lost until the final whistle blew.

The varsity team was guided for the third year by Coach ‘Coogan’ Reese, who himself came to Mentor High in the same year as the senior squad members. Along with a returning coach, the varsity squad also had two returning letter-men who sparked the squad with experience and ability.

In the opinion of many sports fans, a solid well-trained J. V. Basketball team is as important as a winning varsity squad in that a skilled varsity man must have a good J. V. background. Therefore, a great deal of work and training went into the J. V. squad this year so that future varsity teams would improve.

For the first year under the guidance of Coach Whann, the J. V. team sparked with new and excellent strategy resulting from Coach Whann's own playing experiences at Westminster.
WRESTLING

Now in its third season at Mentor High, the wrestling squad has finally attained the recognition it deserves. Under the able coaching of Head Coach Armin Riesen and Assistant Coach Tony Mulholland, the wrestling squad has fought back from several handicaps to post a fine season's record.

In wrestling's freshman year, Coach Riesen was trying to mold wrestlers out of some of his stalwart football players. Also last year there was much of the same; but, this year the program has started using some experienced athletes and turned them into better wrestlers. It is this experience that in the present and future should make Mentor a wrestling power in the area.

This year's team has been afforded the opportunity of practicing in the visual education room. This set-up is much more convenient than last year's plan of practicing after supper and helped the boys greatly.

WRESTLING SQUAD
TRACK

With due respect to the baseball squad, it must be said that the track team takes the spotlight in the spring. This attention can be attributed to the amount of participation by the team and also to the fact that the track squad has taken the N.E.C. title in recent years. When a team exhibits such success as this, it is bound to be popular.

Guiding the “Red Bird” runners in their winning ways are Head Coach Clarence Reese and Assistant Coach Tony Mulholland. Taking the reins two years ago, Coach Reese has posted two successive N.E.C. wins, and there seems to be no reason why he should not be able to make it three in a row with the help of a fine crop of veterans and sophomores.

TRACK SQUAD
BASEBALL

For the past three years, the baseball team has had three different coaches. This year the leadership was taken over by Coach Donald Wynkoop. A major asset of this year’s team was the fact that five two-year lettermen returned; moreover, a hard working squad of sophomores was enlisted.

Practice for the baseball team always begins the first week in March, when the team works out in the gym by running and practicing fundamentals. Then as the weather gets warmer, the squad attempts to move outside as soon as possible; however, spring rains are always a hazard, causing postponed practice sessions and games.

BASEBALL SQUAD
Backers both our football and basketball varsity teams are the varsity cheerleaders. Chosen in the spring, this squad of six starts plans for the following year. After practicing all summer, they are prepared to cheer their best under any circumstances. The high point every year comes with the Euclid Tournaments at the end of the basketball season when the squad vies with numerous other cheerleading squads of the area for top honors.
It is the job of this peppy six give inspiration to the junior varsity or reserve basketball team. They, too, are chosen in the spring according to their cheering ability, personality and leadership. The desire of every J. V. cheerleader is, of course, to become someday a member of the varsity squad.

JUNIOR G.A.A. MEMBERS

One of the year’s biggest events is sponsored by this group. This is the G.A.A. Formal to which all members, who have acquired 100 points, may attend. One characteristic which sets this event apart from all others is that the usual custom is reversed, and the girls ask the fellows.

At the end of the school year, G.A.A. members are given awards, according to their participation in the club.

Activities
The biggest and most time-consuming project for the Senior class this year is the publication of the Cardinal Notes. For the publication of this book, a great deal of credit must go to the competent editors of the annual staff and to Miss Stoner, the faculty advisor.

The layout of the annual began early in the summer when the work of the Make-Up staff began. At the beginning of school, the general outline for the annual was completed. The other staffs then began to add their finishing touches to the 1959 Cardinal Notes.

Since the annual is entirely a student project, the different staffs were responsible for planning the dummy, obtaining the needed pictures, writing the desired script, and handling the business and artwork which was necessary to do to complete this annual.

Many new ideas were inaugurated into this year’s annual in order to make this publication the best that Mentor High has ever produced.

As in past years the Student Council has served as the chief governing body of the school, assuming more responsibilities each year.

The purpose of this organization is to link the student body with the faculty, to provide harmony between the students and the faculty, and to bring efficiency to our government. This year a new system of selecting the Student Council members has been installed. The number of representatives is determined by the number of homerooms in the smallest class.

The Student Council has completed many worthwhile projects among those were the Thanksgiving and Christmas drives for needy families. The establishment of many committees is responsible for the efficiency of these projects. The Hearing Committee is one of the most important committees. An Area Council, consisting of Wickliffe, Willoughby, and Mentor, was also formed this year to better relations between the three schools.

Under the expert leadership of the officers and the cooperation shown by the student body, this year’s Student Council has been one of which Mentor High can certainly be proud.
The Key Club is a service organization affiliated with the Kiwanis Club.

The membership of the Key Club is restricted by the constitution, and therefore, only a few boys, who have upheld the ideals of the club, are inducted.

Overseen by Mr. Pitzer and Mr. Kindsvatter, the Key Club this year brings honor to Mentor High through service to the school and community.
NATIONAL HONOR SOCIETY

The highest honor attainable in one’s high school career is to be elected as a member of the National Honor Society. A committee consisting of faculty members and senior members elected as juniors base their selection of new members on their superiority in Scholarship, Leadership, five per cent of the junior class are elected to this honorary club.

The main activity of the club is the annual banquet for new members and alumnae held each year during Christmas vacation. The ceremony, Service, and Character. Each year fifteen per cent of the senior class and in which the new members are “tapped” is perhaps the most touching and impressive one a student encounters in all his years of high school.

MEMBERS

With Bill Boles as president, the Future Business Leaders of America, known as the F.B.L.A., has been very active this year. A usual feature of the meetings is a guest speaker from the business field or a panel of local businessmen. These businessmen answer questions concerning their occupations and other related fields.

This year the club has received many ideas from its new sponsor, Miss Shirley Stevens. By participating in several field trips, the club has gained more valuable knowledge of the business world. The F.B.L.A.'s most outstanding program each year is the annual banquet at which the new officers are introduced.

Officers: Judy Hathaway, Treasurer; Roberta Shanower, Secretary; Richard Hinkle, Reporter; Bill Boles, President; Mickey Kohler, Vice President
F.T.A. stands for Future Teachers of America. This is an active organization composed of students whose goal it is to teach the youth of tomorrow. Each year the members are given ample opportunities to teach in the elementary schools in the community in order to become better acquainted with the teaching profession.

Our F.T.A. is a member of the national organization of Future Teachers of America Clubs. This year the group has been advised by Mrs. Clarence Phillips and Mr. C. Osborne Hutton.
VARSITY "M"

The Varsity M Club is an organization which requires its members to have earned a varsity letter in an interscholastic sport, and to have completed the rigors of initiation as determined by the initiations committee of the club.

In selecting letter winners for membership, the club has desired to show that athletic prowess can be accompanied by a beneficial spirit. The club's objectives are to raise the standards of Mentor High School and to prove the value of athletics.

Sponsors of the organization who take part in the programming and activities at the Varsity M Club are Coaches: Mr. Reisen and Mr. Reese.
An integral part of our athletic program is the pep Club, which provides backing for all of the sports at Mentor. The large Pep Club banner, picturing our famed Cardinal, may be seen at any of our games.

Requirements for membership of the club are unfailing faith, a strong voice, and a raincoat for football season. Members must also be willing to travel to “away games as the cheering sections for these games consist mainly of the Club’s members.

The ideals of the club are to stimulate enthusiasm in the school as well as in the teams and to show others how much we respect our school through unfailing but sportsman-like spirit.

The WMPW Scholarship Club is composed of all students who have been able to maintain a B plus average in their high school courses. The Mentor Club is part of a four club, county-wide organization composed of scholars from Willoughby, Mentor, Painesville Harvey and Wickliffe.

The four WMPW schools meet each fall for the annual scholarship banquet which highlights the club activities. This year Mentor had the privilege of being the host to the banquet.
THESPIANS

The National Thespians Society is an organization which honors those who give much of their time to the school productions. Once a member, a person is a Thespian for life.

The troupe leader of M.H.S. is Mr. Jay who does a wonderful job directing the three school productions each year. The senior class play, the junior class play, and the all school play.

MENTOR HI-LITES

Providing the community with news of school affairs is the Mentor Hi-Lites. Each week the News-Herald donates two pages to the Hi-Lites staff so that all of Lake County may know of the happenings at Mentor High.

Starting with one or two columns in 1954, the publication grew first to one full page the following fall, then finally to its present status of a full two-page format.

Among the various features of the HiLites are excellent sports reports, activity news, and an editorial column which serves as a mirror in which the entire student body may see its faults.

Upholding the traditions of a long line of hard-working editors are Nils Holt, page one editor, Judy Mahon, page two editor, and Andrea Orvos, editor-in-chief.

During our senior year with Mr. Moor as advisor, the Com-Mentor went through a transitional period.

It was necessary for this change because THE LOG and MENTOR HI-LITES are adequately covering the news around the school. Therefore, the COM-MENTOR is now a literary paper. The success was largely due to Mr. Moor's excellent guidance and the staff members' courage to make this change.

In each edition, we include a feature, short stories, sports, and poetry. Some of those features included have been National Honor Society, Lawnfield and the Key Club.

BAND

Ever since Mr. Nordman has been directing the band at Mentor, he has been hoping that some day a new bandroom would be added to the high school. This year his wish becoming a reality, Mr. Nordman and his students have been able to use the room to practice for contests, festivals, and concerts.

At contests the Mentor High band has always received superior or excellent ratings. Preparation for the annual contests always entails much hard work by both Mr. Nordman and the students.

Along with this work, the band marches at football games, and presents a Christmas concert and a Spring concert.

Due to the great number of students wishing to take band, it was necessary this year to form two Mentor High bands, the concert band and the sophomore band. Although the sophomore band receives little recognition, it is a much needed group, for the sophomore band members move into the concert band as the seniors graduate.

ASSEMBLY BAND

CARDETTES

An addition to Mentor High this year is the Cardette Drill Team. It is composed of Mentor High girls who voluntarily joined the organization.

The Cardettes are under the direction of Miss Stevens, who is also a new-comer to Mentor High. Through her leadership, and the girls' talent and ambition, the Cardettes have presented a new type of half-time entertainment at athletic games.

Practicing with the band throughout the week during the football season, the Cardettes always add life to the half-time shows in which they march.

SOPHOMORE BAND
CHOIR

One of the most enjoyable activities at Mentor High School is the choir. It is composed of musically talented seniors, juniors, and sophomores who are chosen by Mr. Henck.

The choir presents several concerts during the year; however, the Christmas and spring concerts are the important ones for which the choir spends many hours preparing. The choir sang several numbers at the Christmas concert, ending with the impressive "Cathedral Chorus" in which the band accompanied.

Besides presenting concerts, the choir's other activities include singing in the Lake County Music Festival and participating in various contests. The choir also sang at the dedication of the Dale R. Rice School.

GIRLS' AND BOYS' GLEE CLUB
POPPY CHOIR

Formed this year, the pop choir was organized for those seniors, juniors, and sophomores who enjoy singing popular music. Due to the large number of students interested in joining, selection was based on ability. The pop choir performed for several community functions throughout the year.

Practicing twice a week, the pop choir prepares light, airy melodies and a few serious numbers. The purpose of the pop choir is to sing for the enjoyment of singing.
At the door we were greeted by the reception line.

The class officers led the impressive grand march.

Oh, what a wonderful evening!!
We danced under a ceiling adorned with Christmas lights.

What a memorable evening!!

The G.A.A. officers and chaperones welcomed the couples.
The senior class play, **Thunder on Sycamore Street** was presented December 5 and 6. This play was a drama in three acts depicting a social prejudice held by some adults and teenagers. It concluded by showing the people of Sycamore Street how wrong they were.

The cast and director, J. Robert Jay, worked for eight weeks learning parts and shaping the play for its performance which was really effective and well done.

Behind the scenes, several crews were needed to keep the play running smoothly. Although these seniors did not work as long as the cast, they did work hard and did contribute much to making the play a success.

Assisting the director were Gayle Traver and Roberta Shannon with Sandee Barstow holding the books and Jack Winter as stage manager. Fourteen seniors lined up props with some assisting in the fast change of scenery. Publicity was handled by eleven seniors and tickets by thirteen. The characters were made up by an efficient staff of five, and the stage work was done effectively by six. Eight senior girls ushered.

The cast, director and crews working together produced a play the seniors will long remember.

Eagerly they came, bringing new spirit and enthusiasm. Our sophomore class of 1958-1959 can look back on their first year of high school life and recall all occasions, eventful or uneventful, big or small, that made their first year the success that it was.

At the beginning of the year, they elected their officers. Ruth Rohl was elected president, Paul Dobert was elected vice-president, Bonnie Kushen was chosen to keep the minutes, and Ann Ray was selected to handle the money. These officers did an excellent job in conducting their meetings and carrying out their projects.

The sophomore class is not only large but is also active. They have shown outstanding enthusiasm in sports, the magazine drive and other activities. We wish them the best of luck in their remaining years at Mentor High.
Having finally been moved to the status of juniors, this fine group of "flappers" is under the leadership of Albin "Skip" Sternen, supported by Bill Hoffman as vice president, Joan Hennel as secretary, and Donna Goodenough as treasurer.

Their main concern this year is, of course, the Junior-Senior Prom; and since their funds are scraping the bottom, they are in the same situation the class of '59 was in. But, the junior class has shown loyalty and respect to MHS and are sure to make a splendid, lasting impression in Mentor High.

Since this class has to sponsor not only their prom, but also the '60 annual; it was necessary for them to really push their money making projects, which include the junior stand, the magazine sale, and also the junior class play.

Loyal Mentor fans
For the seniors, this was truly an unforgettable year...
Tapping the gavel to bring the seniors to order was Ralph Wellington. Mary Aikins acting as program chairman was always prepared to take over Ralph's duties. Handling the minutes and correspondence was Anne Young, and Mickey Kohler kept the records of finances.

Our class has had several successes of which to be proud. The first memorable event was the Homecoming Dance at which Barbara Brown reigned. "Thunder on Sycamore Street", the senior class play was a success which came after weeks of hard practice. One project which we will never forget is the Cardinal Notes. Our class has probably had more financial projects to pay for our annual than any other class that has graduated from Mentor High.

This year, as always, fifteen per cent of the seniors were tapped into the National Honor Society. Our class now has a total of thirty-three members in this organization. In addition to NHS, there are numerous other organizations around school in which the seniors enthusiastically participate.

The class of '59 will be the first class to graduate over two hundred students. Another first—every senior had his homeroom and some class in the new addition.

The seniors are also helping to put the Com-Mentor through its transitional period. What used to be a newspaper is now a literary paper; therefore we are trying to bring more culture to M. H. S.

As we leave these halls of ivy, many of us will continue our education in college or business school, and others will begin working. But even as we travel on our different paths of life, we shall never forget the many friends we have made while in high school.

As an appropriate closing to our Cardinal Notes of 1959, we would like to present a man whose name is well known not only in our community, but throughout the entire state, Mr. Dale R. Rice.

Born in Ada, Ohio in 1891, Mr. Rice graduated in 1911 from Celina High School. His undergraduate work was done at Ohio Northern University whence he received his Bachelor of Science degree in Education. From there he transferred to Columbia University which bestowed his Master's degree upon him in 1929.

Through years of hard and industrious work, Mr. Rice humbly built his reputation of a wise and far-seeing educator in such a manner as to secure for him such high positions as President of the Northeastern Ohio Teachers’ Association in 1941, and in 1949, presiding officer of the Ohio Association of School Administrators. Besides these offices, he has held many others and served on numerous committees, all of which are stated in the information concerning him in Who’s Who In American Education.

This, then, is the man whose integrity and wisdom have for thirty four years been responsible for the progress and maintenance of high standards in Mentor Public Schools. Although he is now retired, Mr. Dale R. Rice is a deeply respected name which, because of its great influence in our school and community's history, will not be quickly forgotten.
