Our Fearless Leaders

Working together and learning from each others' minds... isn't that the main idea behind Education? Or was it discipline and the kind of clothes you wear? Administration and students are reaching out for answers from each other. Is this the year when both will meet and learn to respect each others' opinions and ideas? Or will the school of Mentor go on putting out young people who could care less because they find no answers from ones who call themselves Educators? In the 1971 Cardinal Notes, we would like to portray the school year as it began to change in many different areas.
Wisdom is the principal thing
therefore get wisdom
and with all thy getting get under-
standing
A wise man will hear
and will increase learning
and a man of understanding
shall attain unto wise counsels.

They Love Us
They Really Do
We're All Together

I'm Nobody! who are you?
I'm nobody! who are you?
Are you nobody, too?
Then there's a pair of us—don't tell!
They'd banish us, you know.

How dreary to be a somebody!
How public, like a frog.
To tell your name the livelong day
To a admiring bog!

Emily Dickinson
A Day in the Life
When some loud bragger 
tries to put me down
And says his school is great, I
tell him right away,
"Now what's the matter buddy
ain't you heard of my school,
it's number one in the
state."
So be true to your school.
Just like you would be
to your girl or guy. Be true
to your school and let
your colors fly.
Be true to your school.
I got a letterman
sweater with a letter in front,
I got for football and
track. I wear them proudly
now. When I cruise
around other parts of the town,
I got a decal in back.
Rah rah rah, be true
to your school,
Sis Boom Ba Ooooooooonoo.
On Friday we'll be
tackling in the football game.
And I'll be ready to fight.
We're going to smash
them now.
My girlfriend will be
working on the pompoms now,
and she will be
yelling tonight.
Rah rah rah, be true to your
school.
Sis Boom Ba Oooooooooooonoo.
When We Work Together.

loneliness can only be defeated by a friend.
Now that you've found your paradise
This is your kingdom to command
You can go outside and polish your car
or sit by the fire in your Shangri-la

R. Davies
Love Thy Neighbor
So I think about the life I live
And I remember all the little things good and bad
Yes, I know now that I lost the best
Woman I ever had
Little children playing, I hear them saying
Mother, tell me what life has in store
Yes, I know they'll be needing me to linger much more
Oh, time waits for no man. It may be too late for many things to be arranged.
Yes, I know now there will come a day when I'll maybe change.
In Your Own Way
The Dream-Keeper

Bring me all of your dreams
You dreamers,
Bring me all of your
Heart melodies
That I may wrap them
In a blue cloud-cloth
Away from the too-rough fingers
Of the world.

Langston Hughes
Secretary
Jacque Heiss

President
"Stumpy" Burchell

Our Senior year at last, but gone so fast. For three years we were a part of Mentor High School each year growing in wisdom and learning responsibilities.
Senior year the pressure is on. Make the grades, apply to college, plan year-end activities. Then finally, GRADUATION. After relax a little. It's the end of one life; but the beginning of another. As time passes and we grow old, senior year comes to mind; faces, laughter, tears, successes, and failures. All locked together as memories for life.

The end of a day
twelve years long.

So many things happened.

We learned through

Seeing,

Studying,

Suffering,

Memories never to be forgotten.

We are ready for a

New dawn . . .

Sunrise.

Full of hopes and dreams.

A challenge

Ready to be fulfilled.
Dr. Frederick Goodnight, Director of Secondary Education.

Mr. Hugh Brown, President of the Mentor Board of Education.
The Mentor Public Schools are dedicated to making available the best educational opportunity to each individual child of the community.

We accept this responsibility along with the home, church, and other community agencies for the development of a child's character, personality, and health.

The school's most important responsibility, however, is that of teaching basic skills, knowledges, and understandings. We also believe that each child should understand, respect, and be willing to improve his democratic heritage.
We believe it is our responsibility to develop within each individual the basic skills and knowledge which will help him become a properly functioning citizen and a positive contributor to our society. We believe that each person involved in the educational process, both staff and students, should be respected as individuals. We view our school as an institution designed to develop self-discipline, self-control, and respect for the rights of others.
Mr. Richard Starkey, Mr. Coogan Reese, Miss Jean Panko, Miss Florence Davis.

Mr. George Karnivas

Mr. Phillip Issac
Special Services

Mr. Stanley Cratcha, Speech and Hearing.

Office Secretaries—L to R: Mrs. Hawk, Mrs. McNeal, Mrs. Metenyi, Mrs. Byrd, Mrs. Brown, Mrs. Bolin, Mrs. Coddington, Miss Cogswell.
Mr. Larry Nicholson, Data Processing.

Mrs. Mary Agard, Special Education

Mrs. Margaret Ahlman, School Nurse.
English Department

As a member of the humanities, English is one of those fields of study which deals with man, with a study of man's character and spirit, his experiences and environment, his ideas and values, his problems and challenges. English teaches a personal development, involving a better knowledge of man himself. As a result of the proper study of English, a person will be better equipped not only to do his job well, but also to make good use of his leisure time. He will understand better the society in which he lives and will be more able to communicate with and contribute to it.

Nelson E. Murrin
Foreign Language

In the modern language classes the basic objective is to learn the language as a means of communication, both oral and written. In addition the culture of the country and its people is presented through reading, films, slides, tapes and filmstrips. It is hoped that students who study a modern foreign language will have added to their achievements the ability to manipulate a language other than their own and will have broadened their understanding of world affairs by learning about the culture of another country.

In Latin it is hoped that students will gain facility in reading and understanding Latin literature. As in the modern languages students also learn about the culture of the ancient Romans and Greeks.

Margaret Schormuller

Mrs. Margaret Schormuller: Department Chairman

Mrs. Marcello Phillips

Miss Eloise Stoner
Science

"To Know, not merely to think."

1. A prerequisite for valid and critical thinking (as opposed to wild opinion giving) is the acquisition of some fundamental knowledge of the area involved.

2. Science is changing; nothing is static. The scientific heritage doubles every ten to fifteen years.

3. Belief in fundamental cause and effect relationships is imperative. The concept of consequence is of utmost importance.

Howard Barnes

Mr. Howard Barnes! Department Chairman

Mr. Henry Covetta

Mr. Paul Chantrey

Mr. Jerry Kindsvatter

Miss Elizabeth Schormuller
Social Studies

The primary objective of the Social Science Department is to transform youthful curiosity into knowledge which will ultimately promote greater human decency and brotherhood.

Our desire is to provide students with an opportunity to develop a strong feeling of identity and esteem and self-respect and of personal dignity and worth.

We attempt to create within the individual student the desire and the capacity for self-education which will ultimately provide each student the opportunity to become more fully human.

We are constantly seeking means by which students can be challenged to think and function as independently as possible.

H. B. Wilcox
Math

This year, the mathematics departments major emphasis has been on the fundamental mathematics needed by all to perform as citizens in our society. For several years, we have had students pursuing an accelerated program in mathematics, but this is the first year that we have had a mathematics laboratory. One of the reasons this was possible was that we served as a training center for all Case Western Reserve Mathematics teacher trainees. In addition to teaching in a traditional classroom situation, these student teachers helped give individual attention to each student in the math lab. Tests were given to all juniors to discover those with a need for additional work with the fundamental operations. They will be urged to take Consumer Mathematics first semester next year to better train them for citizenship. Also during the second semester a student from Case Western Reserve will assist teachers and students to understand better the use of the computer in solving mathematics problems. Because funds were not available it was necessary to cut back the mathematics offerings somewhat, increase class size, and deny other departmental request.

George Pitzer
Business

The Business Education Department is concerned with the development of its students to the maximum extent of each student’s ability.

One of our objectives is to provide both the college-bound and the terminal student with a general education which offers a background in business education activities, principles, and procedures affecting our business economy.

Personal use skills are provided in our curriculum which include Business Organization and Management, Personal Shorthand, Personal Typing, and Recordkeeping.

Vocational competency and skills are provided in selective courses such as Bookkeeping, Business Machines, Shorthand, and Typing.

Robert Gould

Miss Nancy Cetina

Mr. Clarence Phillips

Mrs. M. Kramer

Mr. R. Taylor
Art Department

You don’t learn art by osmosis. You learn by putting in many hours a day working—and not being discouraged.

Growth in art is best realized by involvement in successive art experiences of which drawing is the foundation. High School pupils are intrigued and inventive when they are challenged to express themselves in various media as polymer, oils, water colors, ceramics, jewelry, etc.

Some students are in art for personal enjoyment; others are interested in gaining recognition while in school, and others are working toward a career in art.

Ted Keller
Music

An Awareness...
To pause, to LISTEN
And in listening awaken to the sounds.
Sounds surround us daily,
Soft sounds, loud sounds, emotional sounds
MUSICAL SOUNDS.
And in having to be able to discern.
Music of yesteryear, today, and tomorrow,
All which constitutes our culture.
To be able to understand these sounds,
Music Theory
To be able to perform these sounds,
Performing Groups
To be able to identify these sounds,
Music Appreciation
Physical Education

The physical education department offers a wide variety of sports activities which interest as well as challenge the students. Since there is such a trend toward sedentary living today, one of the major goals is to expose the students to a variety of sports which they can pursue during leisure time as adults. As much emphasis as is possible is placed on individual and dual sports. This is not to say that team activities are not a part of the program. Team sports offers students a challenge, help develop a healthy competitive spirit, and show the positive results which result when people work together toward the same goal. Each year the instructional staff tries to introduce new activities which will further stimulate interest and participation in the program.
**Home Economics**

The Vocational Home Economics department furnishes in-depth learning experiences for those students interested in Homemaking as a career. Girls should consider family and home management, making wise choices as a consumer, and preparation for marriage and family relationships as a primary goal for a lifetime of enrichment through better family living.

Home Economics
Olive M. Hunyadi

Olive M. Hunyadi

Donna Farinessi
The two main goals of the R.C. are to have each student become self-sufficient in the use of a research of information center, and to provide supplementary materials for use with textbooks. If a student is going to continue his education in a college or a university, he or she should know how to proceed with research for papers or thesis. If a student is going directly into a vocation, he should know how to locate information relative to his vocation, to an avocational pursuit or to recreational reading. Here at the High School students will be exposed not only to books but to pamphlets, catalogs, periodicals and various types of audio-visual materials such as filmstrips, loops, slides, records and microfilms and he will be instructed in their use.

Mary D. Fancher
Library Coordinator
Industrial Arts

We believe that an educated person is aware of the type of society in which he lives. Therefore, since we live in an industrial and technological society, our curriculum is designed to provide a student some insights into the materials and processes common to an industrial society. We attempt to provide the student with some degree of basic understanding and skill for entry either into his vocation or into any further education.

James Jamison

Mr. James Jamison, Department Chairman

Mr. Hugh Taylor

Mr. Richard Smith

Mr. Charles Durnbough
Vocational

Mentor's vocational program has two main goals. The first is to contribute to the educational program by making it more purposeful and functional, especially in the development of abilities and work attitudes which are essential to employment. The second is to provide Mentor's youth an opportunity to supplement their education with specific occupational training in marketable skills and knowledge.

Upon the acquisition of basic marketable skills in the vocational program selected, the student will be able to enter the job market with a decided advantage. If the student wishes to continue his education, participation in the vocational program does not preempt his option of attending college. In some instances, it may provide the financial means to a college degree.
BOTTOM ROW: L to R. Louise Berlo, Alice Hellriegel, Gerry Gaines, Betty Lane, Eleanor Achilli, Margaret Allen, Clara Hipps. Seniors  Academics  Sports
Cards Come Through

Under the direction of Frank Damokos, the Cardinals finished in the season as co-champions with Willoughby South in the GCC. After dropping their first three outings, Mentor came back to secure a 5-4-1 record. Mentor had five boys on the All-Conference team in running back Don Martin, defensive end Bill Stoddard, defensive back Ron Guidici, middle linebacker Phil May and offensive guard Chuck Lacy.
The Junior Varsity football squad, under the direction of Coach Don Little, excelled this year as it captured the conference crown. Many fine ball players did well for the team, thus increasing the chances for a varsity crown next year.

Ain't It Funky Now

In the early part of the 70-71 season, the Cardinals found themselves on the low end of the score quite often. One of the most disappointing losses was at the hands of Willoughby South, 58-57.

About halfway through the season the cagers began to play good team basketball. This was evident in the Cards home victory over South, 39-36.

The highpoint of the season was a hard fought victory over the Bedford Bearcats, 39-38. The loss was Bedford's only one in the season play and the "Big Red Machine" snapped the Bearcats 13 game winning streak.

Varsity Wrestling

Although the wrestling team had the ability to be in contention for the crown, they didn’t get it together at their meets as their record was 52-10. Everyone on the mat tried their hardest and in true Mentor tradition they never gave up. There were some promising notes from sophomores Darryl Yeary and Bob Liptak and juniors Phil Gregor and John Lovelace, and we hope to have a fine team next year.

John Larimer was the only Mentor grappler to place in the Brecksville tourney this year. Lenny Mate and Bob Liptak placed consecutively at State.
In true Mentor High tradition, the 1970-71 Varsity Cheerleaders came through with spirit and fight at both football and basketball games. Cheerleaders with year included Wendy Fabian, Karen Cunningham, Jackie Moher, Wanda Bartholemew, Sue Galbas, and Nancy Slaughter.
Wrestling Cheerleaders cheered for their team at every match this season, bringing spirit to an otherwise depressing season. Wrestling cheerleaders this year included Elaine McGuire, Robin Muir, Wendy Williams, Debbie Wolfgram, Donna Williams, Carol Weitz, Kathie Rezak, and Carol Beall (mascot).
JV Cheerleaders

L TO R: Dorothy Martin, Bobbie Photo, Karbie Wirkowski, Bonnie Johnson, Jody Hummer, Lauri Daniels.
This year the girls were afforded many opportunities to participate in athletics. Golf was held at Vink's and bowling was held at Regal Lanes. The girls also had golf and archery in physical education class.

Girls Sports
Varsity Field Hockey

FIRST ROW: Nina Lawson, Cheryl Williams, Bonnie Barrett, Sue Oalbos, Tammy Defisher, Carol Beal. SECOND ROW: Sue Chorman, Jackie Bolden, Luann Luoma, Bonnie Williams, Karen Cunningham, Carol Stocker.

JV Volleyball

FIRST ROW: Cindy Dietz, Cathy Witkowski, Bonnie Williams, Eileen Colavecchio, Carol Stocker. SECOND ROW: Sue Chorman, Cindee Judge, Bonnie Pata, Doris Wiseman, Linda Dutschik.
The J.V. basketball team went undefeated, out scored most opponents by 25 points, and finished the season with a very good lookout for next year.

The varsity didn’t do as well as the J.V.’s but they also had a very good look all season. Overall season record was 3-2 and they had their best game against Madison. The team’s top scorers were Tammy Defisher, Carol Beal, and Wendy Fabian.

Under Coach Ron Priest, the 1970-71 Cardinals played themselves into third place of the GCC. Led on the mound by junior Tom Pesosky, the batsmen wound up 13-13 overall and 7-6 in the conference. Providing the much needed hitting this year were seniors Scott Martin, Paul Brost, captain Frank Cannato, and Larry Greene. Juniors Bill Pratt and Reed Shope also added to the team's hitting. Along with playing good team defense, the Cardinals took advantage of double steals and squeeze plays. As there were many juniors on the team, next year should be another good year for the team.

Compiling a dual meet record of 6 wins and 1 loss, the Cross Country team placed second in the Greater Cleveland Conference under Coach Cogan Reese. The team placed second in the South Invitational and fourth in the Gilmore Invitational. This year's Harriers were also district champs and placed 18th as a team in the state meet.
The cindermen had a very disappointing and disputed season. The season started with Berea disputing the 880 relay in the dual meet between Mentor and Berea. The race was run over and the outcome turned the meet in Berea's favor and gave them the conference Crown. The cards then dropped a dual meet to Maple Heights.

The season did have some bright spots though as the cindermen captured the Mentor Relays for the fifth consecutive time from such contenders as St. Joseph and Euclid.
Swimming Team

This year’s swim team included swimmers that had experience ranging from zero to two years of high school competition. Those with no experience showed a desire to work hard and displayed great competitive spirit. Those with experience showed the leadership and maturity expected of them.

Swimming against some of the better teams in the state, the mermen posted a record of 4-9. Although the record was not outstanding, the fine individual efforts of Tom Connor, Steve Galbos, and Kent Meyers made the team as exciting to watch as any in the area.

Galbos was rewarded for his efforts with a trip to the state meet, qualifying in the 50 and 100 yard freestyle. The final outcome of this trip was an 11th place finish in the 50-yard freestyle.
Mr. Gilbert, a math teacher, enthused the students of Mentor high to partake in his intramural program by having such programs as a basketball championship, volleyball, bowling, pingpong, and many other programs of interest. For a grand finale Mr. Gilbert had a co-ed camping and canoe trip which proved to be a great success.

A gymnastics club was once again formed with a great amount of enthusiasm within the club. Mr. Mayvill and Miss Behne kept the club enthusiasm up by having shows for the P.T.A. and at half time of basketball games. The season was closed with the hope of once again forming a team.

**Gymnastics**

This year's won-lost record does not reflect the success of the team's individual performances. With senior Dave Beltzer pacing the team, it was one of the finest golf team's in Mentor's history. Adding to the fine team effort were sophomores Scott Harriger and Mike Grdina and junior Dennis Lockard.

The cindermen once again won the Mentor Relays for the fifth consecutive year. This year the Cards had to sweat it out, but they came through against such teams as Euclid and St. Joseph which most people said would take the Relays crown away from Mentor. The cindermen came through with some outstanding team efforts and the cindermen can be proud of their fifth win.
Sport Highlights
Hold fast to dreams
For if dreams die
Life is a broken-winged bird
That cannot fly.

Hold fast to dreams
For when dreams go
Life is a barren field
Frozen with snow.
L. Hughes

Our Guest from Afar
Deep as wells are his eyes
Deep as the hollows
Of the immortal oak

Brown and Liquid
Like creamy chocolate
Heated over a slow fire

Warm and alive
Like a new-born calf
Fresh from its mother's womb

Deep as wells are his eyes
Deep as the hollows
Of the immortal oak

Such are the eyes
Of the African

B. Taylor

Our Good Will
Ambassador
Students Become Civic Officials

Buckeye Girls' Staters spent one week learning and practicing the workings of state and local government from campaigning to legislating. Representatives, sponsored by the American Legion Auxiliary and the Mentor Women's Clubs, flag raising, and room inspection. Highlights of the session, held at Capital University in Columbus, included a tour of the Capitol, a speech by the state governor, and the inaugural banquet of the elected governor.

Mentor High's representatives to Buckeye Boys' State spent a week at Ohio University also studying and running imaginary state and city governments. Boys' Staters listened to the views of governor elect John Gilligan, a representative of the Communist party, and a former head coach from Upper Arlington High School, Marv Moorhead.

National Honor Society

National Honor Society is a selective organization whose members have demonstrated the qualities of scholarship, leadership, character, and service. The relatively small group organizes a special induction ceremony and tea each spring. Not more than fifteen per cent of the senior class and not more than five per cent of the junior class may be admitted.

Similarly outstanding in academic competition are four Mentor High seniors who became semi-finalists in the National Merit Scholarship Qualifying Test. Top scorers on the test, which is taken by juniors all across the country, are given distinguished consideration in scholarship and college admittance competition.
Among some 750 Seniors, there are ten that have been consistently outstanding. These ten have spent their three years of high school working hard to maintain a 3.8 or better grade point average. They also have participated in many extracurricular activities in school and in the community. They have all been on the Principal’s Honor Roll every year, and will graduate Summa Cum Laude. These four boys and six girls who have excelled are: Rob Diedrichs, Gayle Knebusch, Ron Laskowski, Barb Mannino, Robin Muir, Gretchen Oldfather, Dave Page, Jim Pollard, Sharon Tandy, and Nancy Urban.

Performing for school assemblies and presenting annual concerts at Christmas and Springtime were only a few of the activities that kept the A Capella choir busy this year. The annual Exchange Concert was successfully held with Bellevue High School. The Choir then traveled to the district contest and received a Superior rating. By producing a unique Spring concert which displayed the talents of many the Choir showed their versatility. The concert consisted of small ensembles, soloists, the Choir as one unit, and several specialty acts.

Top 25, one of the most appealing and active Mentor High vocal music groups, is a select group of talented vocalists.
They’ve Got Rhythm

Mixed chorus is made up of those students who are interested in improving their voices through training. After a student has participated in this group, he may join another more specialized vocal music group.
Sing Along with Mr. “H”

Boy’s Glee Club is open to any boy interested in singing. Glee Club meets two modules a day and members receive one-half credit. The group performs at the annual Christmas and spring concerts.
Swinging Seniors

Senior Girls' Glee Club is open to any senior girl interested in singing. This group performs with the other school music groups at the annual Christmas and Spring Concerts. In order to allow maximum participation in glee club, seniors formed a separate group this year.
Junior Girls' Glee Club

Newly formed, Junior Girls' Glee Club, is an accredited course that meets 2 modules a day. This group performs at the Christmas and Spring Concerts, which are given by the Vocal Music Department.
Vocal Music Ensembles

CHAMBER ENSEMBLE I—FIRST ROW: Nancy Boksa, Jan Page, Robin Fogleman, Debby Swartz, Patty Bingol. SECOND ROW: Marcia Pohtto, Sharan Tandy, Mike Pettie, Jim Fike. THIRD ROW: Sue Uptike, Rose Pettit, Al Bray, Kevin Lappin. FOURTH ROW: Steve Johnson, Dennis Fuchs, Paul Brost, Mike O'Conner.
Vie for Honors at State

Boys' Ensemble—FIRST ROW: Jim Fike, Gregg Gerstenberger, Reed Shope. SECOND ROW: Dave Belfer, Steve Skidmore. THIRD ROW: Mark Havel, Leo Bolko, Steve Johnson.

The Fighting Cardinal Marching Band “Soul Stepped” across the field before each football game playing “Hurrah for Mentor”. The FCMB consisted of about 80 members plus 5 majorettes, the drum major, and assistant drum major. These ambitious musicians began their practicing the week before school started. Their performances contributed to the Mentor school spirit. Providing incentive for members, a “Best Rank Award” was given each week to the rank which did the most outstanding job. With the guidance of director Gayle Stalheim, and leadership of Brian Edwards, drum major, the band produced exciting half time shows. Also adding to the enthusiasm were Jeff Weaver, assistant drum major and majorettes, Becky Witman, Amy Birch, Billee-Jo Peyton, Peggy Supanik, and Debbie Latch. These spirited twirlers added variety to the half time shows with their original routines.
Symphonic Band is the most select of the instrumental music groups. Auditions, conducted by Gayle M. Stalheim, are held at the opening of the school year. Members are chosen on the basis of quality of performance and experience with the instrument. Membership in the organization is limited to about one-hundred students.

Membership in Concert Band is opened to all instrumental music students. Its objective is to teach specialized skills in scale work and playing technique.

Several times a year both bands perform for the public and the student body. Members also participate in state solo and ensemble contests.

Brass Choir FIRST ROW: Pam Gilles, David Steger, Marcella Hinkle, Joan Follis, Denise Eorley. SECOND ROW: Chris Barron, Tim Cottrell, Rick Harrison, Marc Young, Nancy Scharenberg. THIRD ROW: Nick Gish, Fred Mulhauser.

Not Quantity

Mentor High has several small and active instrumental music groups. Clarinet Choir, Brass Choir, and Percussion Choir prepare for solo and ensemble contest in frequent practice sessions, aiming for a superior contest rating. Both the Jazz Ensemble and the Stage Band perform jazz music in the community and attend an annual jazz band clinic, held this year at Mentor Ridge Junior High. Here the bands were criticized, given suggestions for improvement, and entertained by a guest band from the Ohio State University. All five of these small music organizations perform at school concerts throughout the year.

Jazz Ensemble FIRST ROW: Jeff Berke, Brian Edwards, Bob Woodruff, Ron Deemes, Bob Winter. SECOND ROW: Chris Barron, Rick Harrison, Rick Wilcox, Mark Ashmore. THIRD ROW: Dave Crookshanks, Mark Wasileski, Kevin Gentile, Pam Gilles, Bruce Well, Dave Steger, Rick Gumaulus.
Lyres Club consists of the top 25% of the instrumental music students. The purpose of the group is to promote spirit among the bands. The members annually sponsor a contest of selling concert tickets, and arrange for guest musical groups to perform at the school. At their regular meetings, club members discuss important issues affecting the bands with director Gayle Stalheim.

Band Council is composed of elected and appointed officers from both the Symphonic and Concert Bands. The council listens to complaints and suggestions concerning music selection, and problems arising between band members.
Roll Over Beethoven

Classical Music Society is an unusual addition to the MHS docket of clubs. Its purpose is to promote further interest and appreciation for classical works of great composers like Wagner, Beethoven, and Chopin. One of the groups many activities is the observance of these composers birthdays in celebration of which their music is played over the P.A. system for the enjoyment of the entire school.

ICC Coordinates Club Activities

Inter-Club Council, designed to include one representative from every major Mentor High School club and activity, attempts to coordinate school activities through better communication and cooperation between groups. ICC meets during school time to plan the operation of the ICC office, to listen to fund raising proposals, and to plan ICC functions involving members of all school organizations.
Creativity: Key to Student Council

Student council, initiating many new ideas this year, has been particularly active in sponsoring everything from dances, concerts, and a jam session to a donkey basketball game in support of the free drug clinic. Creating the student council office to promote better communication and selecting fifteen representatives on the basis of applications were introduced by this year's council. Activities of the dress code committee, sponsorship of youth in government day, and participation in exchange programs with other area high schools were continued projects of previous student councils.

Senior Council was composed of Seniors elected by their homerooms to represent fellow students at class meetings. This year the council has tried to promote spirit within the Class of '71 and within the school. Activities of the council have included the selection of caps and gowns and the formation of committees to organize Senior Week activities.

Sophomore Council, under the guidance of Mrs. Hanrahan, was made up of elected representatives who met every Thursday after school. This year, to raise money for the class treasury, members sold Christmas cards and class jackets. Sophomore Council also published a class newsletter—The Sophomore Flyer.
HRC Opens Channel

Human Relations Council, enlarging in both membership and involvement, has attempted to provide a channel through which students can learn to deal effectively with situations in the school and community causing problems in human relations. Specific HRC projects have included the summarization of student opinion on the dress code, an attempt to organize the donation of cap and gown money to charity, and the operation of a HRC office.
Quiz Kids Place Second

Captain Ron Guidici, along with team members Gail Richardson and Trudy Holchin, brought a second place award to Mentor High after competing with two other schools on It's Academic. Sponsors Miss Schormuller and Mrs. Schormuller coached and quizzed the team and alternates at after-school practices between November and April. The show was presented on television May 22.
Thespians are those wonders of the stage who have participated in at least two school productions. The closely-knit group is an honorary organization that works together to accomplish perfect performance techniques.
Officials for a Day

Elected and appointed seniors who showed an interest in local government participated in the Youth in Government Day program sponsored by the Mentor Rotary Club and the Student Council. Students spent one day working with their official counterparts in the Mentor School system, Mentor City and Mentor-on-the-Lake. Participants were honored at a luncheon meeting of the Rotary Club where several students spoke on the success of Youth in Government Day activities.

Range Riders

This year's theme for the F.H.A. program was "Our World and Welcome to It." The theme was to help the girls become better acquainted with themselves, their families, and the world around them. The Future Homemakers started the year with an International Banquet to introduce their families to food from other countries. To raise money members sold key chains and operated the Christmas Holly Mart. The proceeds from these projects were sent to the St. Jude's Children's Hospital in Tennessee.
Mentor Medics provides learning through extracurricular activity for students interested in medical professions. Various speakers are asked to the meetings to tell members about different opportunities in medicine. Programs have included a discussion on requirements for different degrees in nursing, and a talk by a skin specialist. The year was ended by a banquet which included the installation of new officers.
Clinic assistants are an important part of the clinic. They provide a helping hand for Mrs. Ahlman, the school nurse. Checking students in and out of the clinic, temperature taking, and other minor duties are part of the clinic assistants' responsibilities.
Foreign Aid

The International Museum, under the direction of Mrs. Dorrington, is an organization interested in providing students with information about various countries and their cultures. Members filmed a movie designed to encourage more interest in the International Museum. In addition to this, they have set up displays in showcases and planned a picnic for all members.

Through their international scholarship program, the American Field Service tries to promote understanding between people. During their monthly meetings and through the annual Christmas candle sale, they plan and provide for the Foreign Exchange Program. In this program, students from 60 foreign countries spend a year gaining experience and education in the United States. American students also live overseas in the Americans Abroad Program.

INTERNATIONAL MUSEUM. FIRST ROW: Pat Mahoney, Marsha McMinn, Graciela Cristoldo, Ann Nagiecki. SECOND ROW: Debbie Peters, Suzanne Walker, Jennette Walker, Linda Reed. THIRD ROW: Jeff Horn, David Benero, Debby Shope, Mrs. Dorrington.
Filing, sorting, and collecting fines for overdue books are just a few of the many tasks which keep the library assistants busy continually.

In addition to these chores, library assistants are often seen running errands and obtaining periodicals for fellow students; therefore, enabling the librarians to devote more time to insure an efficient and smooth-running library.
Key Club, one of Mentor’s two large service organizations, assists both school and community by sponsoring many worthwhile projects. School services include raising and lowering the flags each day and recording news events on the sign in front of the school. Community projects which Key Club supported are the Christmas food drive, AFS-Rotary Club pancake breakfast, and Coach Schonauer night.
Performing worthwhile services for school and community is the objective of Keyettes, the largest organization at MHS. Passing out literature for local elections, sponsoring the Toy for Tots campaign and donating money for Key Club's Christmas Drive have been the Keyettes major projects this year. Tour Guides, a branch of Keyettes, consists of approximately 150 girls who have been specially instructed in giving visitors a tour of Mentor High School. The Big Sisters program was initiated by Keyettes this year to help new comers adjust to their new school.

Spirit of '71

One of the most active organizations of MHS, Pep Club inspires school spirit for the athletic teams. Along with cheering at home football games, basketball games, and wrestling matches, the enthusiastic group paints signs and sells ribbons before the games. At the end of football, basketball, and wrestling seasons, Block M members present scrapbooks to the players. All pep assemblies are sponsored by Pep Club in addition to Homecoming and Relays.

Girls' Athletic Association, run by a corps of hard-working organizers, sponsors a wide variety of after-school sports ranging from ping-pong and bowling to archery, swimming and basketball.

This year G.A.A. sports were held twice weekly in order to include the largest number of interested girls possible. The G.A.A. Formal and the Sadie Hawkins Dance are traditionally sponsored by the organization.

Juniors Eat Up Profits

One of the thriving business enterprises of the Junior class is the operation of Cardinal Concessions. Through individual cooperation and the determined effort of all members, Concessions is kept running smoothly. Members of Cardinal Concessions sell refreshments to spectators at football, basketball, and wrestling matches, and at various social events. Profits from the organization are divided between the Junior Class Treasury and the Athletic Department.

What's the Password?

I.D. Checkers, those familiar faces seen guarding the dining room entrances every lunch module, carry out a job which is essential to the smooth operation of MHS. Rapidly discovering how many cards resemble I.D.'s, these enterprising students also handle temporary I.D.'s and police the dining area in an attempt to maintain cleanliness and order in the cafeteria.

**FIRST ROW:** Nancy Slaughter, Chris Lebold, Joy Lundblad, Sue Polakowski, Debbie Korom, Mary Moer, Marsha Harvath, Ellen Osborn. **SECOND ROW:** Denise Baker, Gail Connors, Nancy Cicirella, Ann Reiter, Shirley Chopla, Pam Siter, Miriam Woak, Peg Rantz, Mickey Deaneur. **THIRD ROW:** Karen Novak, Patty Simmons, Barb Pell, Judy Brunner, Linda Turnbull, Phyllis McVey, Caroline Massure, Pat Earle, Joe Liquori.
The guidance and office assistants are those energetic hallrunners who tackle the formidable job of locating students on the basis of their locator cards. These assistants help the personnel people by distributing attendance sheets, filing cards and papers, arranging locator cards, and contacting people who are needed in the SPO. These students enable school secretaries to use their valuable time and skills most wisely.
Lab Assistants Enlighten Students

Familiar to many panicky Mentor High scientists are the chemistry and biology lab assistants. Aiding experimenters in distress while maintaining stockrooms full of clean and organized equipment are among the many services performed by lab assistants for their fellow students. Lab assistants help science teachers by grading papers, tutoring students, and running errands.
A.V. Plays Show and Tell

The Audio-Visual Club, seldom recognized as the organization it is, provides indispensable services for classes and individuals alike. A-V members operate, repair, and maintain the many pieces of equipment vital to every school system which utilizes the supplementary educational materials available at MHS.

FIRST ROW: Tom Mawery, Susan Bundy. SECOND ROW: George Burns, Mark Shanor, Jeff Parker, Peg Hanrahan, Mrs. McNeal.
Vo-Hort—Can You Dig It?

Vocational Horticulture, headed by Mr. Perkins, is a work-study program that enables the student to go to school in the morning and work part-time, usually at a nursery.

Projects this year included Christmas wreathes, potted lilies, flower arrangements for the business clubs, and growing plants and vegetables which were sold throughout the year.
M.H.S. Turns Jekyll and Hyde

Science Club activities this year centered around their field trips. Their latest was a trip to the Lewis Research Center. Earlier in December they went to a lecture at the Cleveland Observatory. This year’s officers included Ken Laskowski as president, Greg Leifer as vice-president, and Mark Komar as secretary-treasurer.
Ye Olde Bookstore

Pens, pencils, paper and various other curios can be found in the Student Bookstore. The Bookstore is entirely operated and stocked by the students themselves, and is open for business before school and during all lunch modules. This year, Pam Peyton is the manager of the store working under the supervision of Mrs. Bolin.
Environ/Mentor members have carried out many projects to improve the environment both directly and indirectly by stressing the importance of individual effort in creating a better, safer world. Sponsoring lectures, a paper drive, a fund raising walk, movies, the sale of armbands, and public presentations were some of the year’s activities. Environ/Mentor has decreased school and community ecological abuse during the club's relatively brief existence.
Checkerboard Squares

FIRST ROW: Graciela Cristaldo, Buddy Brittingham, Sue Strouse, James Garity. SECOND ROW: Brian Coyler, Leon Jesionowski, David Steger, John Thaefer, Miss Elisabeth Schormuller. THIRD ROW: Paul Decker, Tom Scott, Steve Steger, Fred Mulhauser, Bob Parker.

Mentor High Chess Club's "A" team completed its first year in the Lake County Interscholastic Chess League by placing third among ten teams. The club, sponsored by parent Carl Chorman, and advised by Miss Elisabeth Schormuller, participated in league matches on Wednesday evenings at the Painesville YMCA. The club's "B" team finished eighth in the same league competition.
The objective of the French Club, newly created last year, is to encourage a greater understanding of the customs and culture of the French. "Le Cercle Français" promoted several activities this year, for example, members sponsored a dance during the winter sports season and entertained the other language clubs at the Olympian Festival with contemporary French songs. They also held their annual club banquet in May at a local French restaurant.

Spanish Club was organized to enrich classroom learning of the Spanish language and culture. "El Club de Espanol" meets monthly to enable members to practice dialogues in everyday situations through skits and games.

At a special meeting Grace Cristaldo, foreign exchange student from Uruguay, presented slides about her native land. Other special meetings included La Fiesta de Navidad, the Christmas festival, an interpretation of the adventures of Don Quixote, the Olympian Festival, and the May banquet.
Ach Tung!

German Club found the 1970-71 school year a very busy one. Attired in German outfits and carrying banners, the group marched in the Homecoming Parade. During the Christmas holidays, members celebrated the occasion with a party featuring a visit from Sankt-Nikolaus. At the Olympian Festival, members performed the traditional Schottische plus two selections from the Broadway musical HAIR.

Gaudeamus Igitur!

Latin Club was once again known for its ingenuity in providing some unusual entertainment at each monthly meeting. The group has also maintained its outstanding level of performance at state convention this year. MHS Latin students won the convention sweepstakes trophy by placing first in quiz bowl, costume, and derivative competitions while placing second in arts and crafts.
Literary Club is a group of students interested in promoting all forms of literature including poetry and drama. The club's main function is the publication of *Nemesis*, the MHS literary magazine. The magazine, a collection of students' creations, contains poetry, short stories, and artwork. The book is edited by club members under the supervision of Mr. Berr.
Working on the Yearbook Is Fun?!;*-(-'*

In nineteen hundred and seventy-one
Victoria Hunt stopped all our fun.

Will be failing
If we're not ready
For our mailing. —W. E. Stolit

. . . Due to lack of space and
availability of certain folks,
we ain't all shown here . . .
LOG Barks Up Right Tree
Attempting to make the school paper a readable reflection of the opinions and interests of all MHS students, the "Log" staff opened an office within the school to facilitate better communications between staff and student body. The large response of students, teachers, and parents to issues including the dress code, school policies, and the expression of patriotism has improved school-community understanding. Talented staff members brought home eleven awards from the Columbus convention of the Journalism Association of Ohio Schools and seven awards from competition at Kent State. The newspaper received a First Class rating with three out of five marks of distinction from the National Scholastic Press Association.

"Keep cool"
1971 Relays Queen—Nancy Slaughter

Was this the face that launched a thousand ships,
And burnt, the topless towers of Illium?

Sweet Nancy, make me immortal with a kiss.
The 1971 Relays Court consisted of Nancy Slaughter, Connie Wasco, Bonnie Barrett, Sue Thompson, and Robin Muir. The Track team also came out with a winning streak.
Summertree, the 1971 Spring Play, was an American tragedy of waste. It portrayed a young man involved in a war and a conflict with his father. Also his relationships with his girlfriend and mother are brought out in his memories. Doug Dunlap, Karen Meister, and Skip Osborn did a great job in bringing the meaning of the play to the audience.
How do I love thee? Let me count the ways.
I love thee to the depth and breadth and height
My soul can reach, when feeling out of sight
For the ends of Being and Ideal Grace.
I love thee to the level of everyday's
Most quiet need, by sun and candle-light.
I love thee freely, as men strive for Right;
I love thee purely, as men turn from Praise.
I love thee with the passion put to use
In my old griefs, and with my childhood’s faith.
I love thee with a love I seemed to lose
With my lost saints,—I love thee with the breath
Smiles, tears of all my life!—and, if God choose,
I shall but love thee better after death.

1971 Prom Queen—Dee Myers with her escort Steve Carr made quite a beautiful queen. The court consisted of Becky Whitman, Donna Wintersteen, Wendy Fabian, Wanda Bartholomew.
The theme of this year's 1971 Prom was "Reflections of the Future". The Damnation of Adam Blessing provided us with entertainment for the evening. Thanks to Bonnie Naegellen and her crew of martians for the fine decorations.
Senior week was enjoyed by all in many different ways. Laugh-in and the Talent show were a huge success. And the food that was not eaten was consumed in other ways. All in all, seniors had their week of upperclass "fun."

Many seniors merited awards at the Awards Assembly on Friday, June 4, 1971. Among those shown are Sue Galbos, Mentor Boosters' Athletic Scholarship, Robert Diedrich, science department award and a senior scholarship trophy, Paul Decker, outstanding scholar for the junior class, Linda Morey, art department award, Tim Hurley, top choir member, Doug Dunlap and Diane Srote for drama. The traditional senior shield was presented by Senior Class President Mike Burchell to next year's president Jim Egensperger.
Graduation finally arrives for seniors. The change in faces on seniors after receiving diplomas is one of relief after 12 long years. The choir’s song “Hymn to David” brought tears to many eyes.
We are the music-makers,
And we are the dreamers of dreams,
Wandering by lone sea-breakers,
And sitting by desolate streams;

World-losers and world-forsakers,
On whom the pale moon gleams:
Yet we are the movers and shakers
Of the world forever, it seems.

For each age is a dream that is dying
Or one that is coming to birth.
