Leading The Way

In January of 1967, Mrs. Peggy Hanrahan began what was to be a long, successful career at Mentor High School. She has been proud of many things during that time. The reputation this school has developed throughout the area and the state gives her a special sense of honor. Mrs. Hanrahan is also proud of the qualified staff, its ability to work with the students, and the systematic management and organization within the school. One of her firm beliefs is that leadership is not accomplished by one person. The 1987-88 yearbook staff proudly dedicates this book to a leader we will look up to for many years—Mrs. Peggy Hanrahan.
The One Way

The Only Way

The Cardinal Way
Top Left: A Sophomore takes a cheek sample for Biology.
Middle: Sophomores Shane and Tim display the latest fashion trend at Mentor High.
Top Right: Bob looks like he's out on a limb.
Bottom Right: Cardinals show their school spirit at a bonfire.
Bottom Center: A Mentor Booster member helps sell refreshments at a football game.
Bottom Left: Our majorettes strut their stuff in the Homecoming parade.
Mento High School's 1987 - 1988 school year was a year of great times. Once again, diversity was the key word to describe our student body. However, despite all of our differences and no matter how we did things, we did them the right way, the only way, the Cardinal Way.

Top Left: Studying in the library.
Top Middle: Sr. John Hamilton looks a bit perplexed - "Maybe school's gotten a little rough, huh, John?"
Top Right: Foreign Exchange Student Enrique Patino plays a Cuban highjacker for a Spanish IV Ski.
Middle Right: Sr. Tabby Shank shows that winning smile.
Bottom: Sophomores show their enthusiasm at a pep rally.
Center: Sr. Tracey Billinsky says, "Wouldn't ya just know it- they took my picture?"
Middle Left: Even Sr. Jim Moll couldn't escape the camera.
Bottom Left: Jr. Keyth Pengal teaches Senora Carion a lesson.
Top Left: Jr. Jenny Chen helps the United Way drive.
Top Right: Lisa Cavelli and friends utilize the library to the maximum.
Center: Our cheerleaders get ready to cheer the Cards to VICTORY!
Middle Right: Jr. Leslie Caruso waves the flag during one of the band's great intermissions.
Bottom Right: The Sophomore Lunch Bunch.
Bottom Left: Sr. Justin Roth and friends at the 1987 Homecoming Dance.
Middle Left: Sr. Greg Mergen attempts the Nick Rhodes look.
Top Left: The 1987 Homecoming Queen Candidates.
Top Right: Sr. Chuck Mchale shows the ups and downs of Mentor High.
Middle Right: Adrienne Whittaker looks intent on dropping her egg.
Bottom Middle: Sarah and Tony Hard at work in Physics.
Bottom Left: Sr. Chris Bobeczko apprehends a “high-jacker”.
Middle: Srs. Brad Fross and Diane Gatto get in some extra studying during homeroom.
Middle Left: Sr. Carl Ondersma gets ready to make his big eggdrop.
Center: Let’s hope that this wasn’t Carl’s egg drop.
Another year draws to a close here at Mentor High School—and what a year it has been!! The 1987-1988 school year has had its ups and downs, but it was a great year overall. As the class of 1988 leaves MHS, we wish the students the best of luck in their chosen ways.
Being a part of Mentor High can be a hectic experience. We are sure to remember all of our homework and activities, but most of all, we'll remember our friends. Friends make the bad times a little easier, and they make the good times even more fun. Whether in class or at a game, friends make the experience more worthwhile. Over the years here at MHS, many long-lasting friendships have been cultivated. These friendships will remain in our memories forever and will show how the students here at Mentor High School do things the friendly way!
Top Left: Sophomores Heather Kunkle and Katherine Reimer show that Cardinal togetherness.
Top Center: Beth Ballew shares a laugh with some senior citizens.
Top Right: Josh Freshwater, Nick Tucci, John Cerjan, and Brad Fross ham it up for the camera.
Middle Left: A member of the WMHS cast gets ready to wake us up with the morning announcements.
Center: Monica Tucci and Dave Reed socialize in the Learning Center.
Middle Right: Terrie Conley sets up the course markers at a cross country meet.
Bottom Left: Bill and Chris horse around in Spanish IV.
Lower Middle: Betsy Engle and Natasha Dankovich have some fun during a football game.
Bottom Right: Ben Schaeffer shows his Cardinal Spirit by dressing up for Halloween.
Bottom: Members of the Early Childcare Class relax after a hard day's work.
Top Right: Tammy Kellehar, Sheuli Sen, and a special friend have fun at the Future Leader's Senior Citizen Dance.
Center: John Graziano and a friend study in the sun.
Middle Right: T. Murray creates a . . . ?
Middle Left: Lisa Covelli and her Pumpkin Baby.
Bottom: Seniors, Juniors, and Sophomores get together and have a good time in Future Leaders.

Just Another Ordinary Day
Taking Our Own Road
This section is devoted to the 1987-1988 Mentor High School Seniors. This year's seniors were one of the best classes ever at Mentor High. We, as a class, have been excellent. We had seven National Merit Scholar Semi-Finalists. Two seniors in Horticulture received state awards and then competed nationally. Thirty percent of our class had a G.P.A. of 3.0 or better and seventy percent had at least a C average. A special thanks to Mr. Ramsey and Mr. Allen who provided the yearbook with oodles of pictures.
This page is designed to give you a glimpse of everyday life here at Mentor High.

As years go by, we hope this page reminds you of the good old times you had your senior year.

Two friends share a laugh in the cafeteria. Bottom Left: Dave Walker led the marching band to the stadium. Bottom Right: Karl and Rosemary walk to class.
Senior Section

This year's Sr. staff consisted of Beth Ballew-editor, Jeff Hordinski, Paula Ackers, and Sandi Edgar, our senior photographer. We all worked hard to produce what we hope will be, the best Senior Class section ever! Good Luck to the Graduating Class of '88 in whatever we choose.
Our Way: Proceed With Caution!
The class of 1989 had a successful year as juniors in Mentor High. Many of the juniors took the PSAT in October. As in the past, the juniors have done exceptionally well in the areas of academics and sports. There are juniors on the academic decathlon team and most varsity sports. This class should be commended for its outstanding achievements and performances in the many activities in which they have participated.

Heading In The Right Direction
With each year a new group of sophomores enters our school. They contribute to the school in many ways: student government, opinions, sports, extracurricular activities and fashion. Even though it seems a long way off, they will be seniors someday.

PRESIDENT - JEFF FORTUNATO

Jeff attended Memorial last year. There he was Student Council president. At the high school he is a member of Student Council and A.F.S.

VICE PRESIDENT - JENNIFER HART

Jennifer also attended Memorial where she was Pep Club president. This year she is a football cheerleader.

SECRETARY - KATHY HAINES

Kathy attended Ridge Junior High where she was Student Council president. This year she is on the volleyball team and president of the Mixed Chorus.

TREASURER - KRIS GRIESMAR

Kris attended Memorial where she was very active in sports. This year Kris is on the volleyball and basketball teams.
EDITOR KRISTIN BREWER

Thanks for all the help! Especially you, Bruce.
The Road To Success
As the year comes and goes, the achievements within our school continue to flourish. The recognition of these students are greatly deserved, and the memories of this year will last a lifetime.
NHS Officers

NHS raises funds to sponsor its activities.

The MHS National Honor Society is a select group of academically oriented students. To be accepted one must maintain at least a 3.25 grade point average, have personal character, and most importantly, show leadership potential. This year the NHS has helped in the College and Career Night, has raised money for a scholarship fund, and has given recognition to students at Mentor High School who have achieved a 3.8 grade point average or better for a nine week grading period. The National Honor Society was designed to promote the scholastic abilities of its members.
Hard work and devotion is what it takes to be on the Academic Decathlon team. Before being accepted, the contenders must take an entrance test. People are accepted for three sub-teams: a team with the average grade of 3.8 and above, 3.3 and above, and 3.3 and below. The team began their long hours of studying before the start of the 1987-88 school year, constantly drilling seven independent college studies. Competition at state level will be at Columbus in March. The national competition is held in June. We wish the Academic Decathlon team the best of luck!
Academic Challenge

Bottom (left to right): Ken Kansa, Mike Costanza, Jason Quinones. Top (left to right): Mr. Allen, Kathy Baker, Chris Coon, Douglas Jackson

Academic Challenge is a six student team that competes on a contest broadcast over Channel 5 T.V. Three students make up the core of the team, and three work as alternates. The team members were chosen for their superior abilities and knowledge. The subjects they were quizzed on were science, math, history, sports, literature, art, famous people, and energy. The competition was sponsored by the Illuminating Company. As of February our Mentor team had scored the highest point total of all participating schools.
1987

The 1987 Homecoming was the biggest ever in Mentor history. The dance, sponsored by the Future Leaders of America, was a huge success.
We've

Got

Two undefeated teams (Mentor and Euclid) battle each other during Mentor's Homecoming game.

Go Mentor!!
Tonight . . .

A special feeling was in the air. This was the final night of Homecoming; the dance was going to be the grand finale. The 1987 Homecoming Dance turned out to be a night to remember . . .

We love those Cards, too!

Mentor
Vs.
Euclid

Though Mentor lost the Homecoming game, the players gave it their best shot!!

(Not Pictured: Paula Acker, Holly Richards, Karl Onderma)

Girls' State (Sponsored by The Women's Auxiliary) is One Week Summer Program Where Select Young Women Study and Participate in Our Government. The Students Take Classes During The Day And Attend Lectures And Other Entertaining Events At Night. These Young Women Will Hopefully Be Leading Our Community In The Future.

Lab Offers A Chance For Certain Young Men And Women To Learn About Business. They Work With A Stimulating Economy Market And Have A Chance To Create Their Own Business With Conflicts Such As Labor Strikes And Price Increases Included. The Experience Is One They Will Not Soon Forget.
The automotive department began 1987 by participating in the Plymouth AAA Trouble Shoot Contest. Eric Giles and Jay Everall came in as one of the top ten in the preliminary competition in January of 1987. With this, they qualified for the state competition at Columbus in May 1987 and placed first in the state of Ohio. Both continued on to national competition at Washington, D.C. in June of this year, going up against the top people of 50 states. Eric Giles and Jay Everall performed outstandingly in the Plymouth AAA Trouble Shoot Contest, coming in fifth in the nation.
Noelle Siel tenderly cares for her prize-winning plants. She had placed fifth in state contest.

Following MHS spirit, the Horticulture Department is constantly kept busy with contests, school activities, and keeping the school grounds. The department has competed in numerous state and national contests and has never failed to bring back an award.
Winter Formal

Just Like Heaven
First place short story
"Mandy"
by Jennifer Kella
Excerpt: "The sun moved slowly below the horizon. Soon it would be dark, dark and cold. The Townshill family knew this, and thus they nervously sat around the table. Mrs. Townshill mopped her face with a tattered tissue. Tori, Mandy's little sister, sat playing with her blocks while Gretchen and Danny, the older children, paced across the room. They were all awaiting news about Mandy, for Mandy was missing. She was gone . . . ."

First place essay
"Art and Life"
by John Hammink
Excerpt: "On a visit to an art museum a few years back, I happened to notice a picture hanging in an out of the way corner of the room. The picture itself didn't stick out particularly; the frame was jagged and worn, the tone of the canvas strikingly monotonous. Yet, I was still compelled, somehow, to look at it . . . ."

First place poem
"Prophecy"
by Sean Cowser
Excerpt: "A Shadow was cast upon the earth
By He Who Would Not Die.
His sword was named Catastrophe.
His shield was called The Sky.

He lay his blade upon the land
And the sun sank into a boiling sea.
He awoke the demons called the Winds
And set their fury free . . . ."

Second place essay
"What They Don't Teach You in Sex Ed. Class"
by Kim Young
Excerpt: "Remember the Sex Education unit in health class? They told you all about the parts of the male and female anatomy. Then they told you about contraceptives. Maybe they even threw in some teenage pregnancy statistics or a video for good measure. And you left, maybe a little more informed with the technical stuff, but not really worrying about what would happen if you did have children. No one does — until they babysit . . . ."

Second place short story
"Et-Ville-Atta"
by Alan Balas
Excerpt: "Sitting on the grass, she felt somewhat safer from the chilling, internal voice. She (Michelle) felt everything, she felt nothing. Feeling the quick, rhythmic thumping of her heartbeat, hearing the sound of hot blood being squished and squashed through the various chambers of her beating heart . . . ."

Second place poem
written by Scott Moorman
Excerpt: "Feel the heat of the engine,
The sudden onrush of ideas
The shift into second gear
Experience the freedom of the highway,
the surge of adrenalin and thought
The straightway for home . . . ."

The Active Road
This section includes all the activities that keep the students of Mentor High on the active road. A variety of activities gives the students an opportunity to get together with other people of similar interests. This section honors all of the students who help to unify Mentor High in clubs, musical groups, and by assisting teachers. These people excel in their specific activities in individual ways.
The Mentor High School Student Council is involved in many activities throughout the school year. Some of the activities include sophomore orientation, the organizing of homeroom representatives, sophomore elections, the United Way campaign, Thanksgiving Basket Drive and spring elections—just to name a few. We are also thinking of new ideas to make Mentor High School a more interesting and better place.

**Officers**

First Row: Laura Hook and Janet Min Second Row: Jennifer Van Himberger and Lisa Ruscheck Third Row: Mary Kay Roediger and Kymberly Young Fourth Row: Noelle Grund and Tracy Krall with Mr. Sabo

These are the hardworking Junior Class officers: Louanne Bengough, Josh Freshwater, Dania Webb and Roseanne Bengough
Future Leaders has had a very busy year. We started off with a very successful Homecoming Dance. The theme “We’ve Got Tonight” brought out a record 250 couples. We then quickly got ready for another night of dance. The Senior Citizen Dance was a lot of fun for members as well as the senior citizens. Students got a unique opportunity to talk with another generation over a delicious meal served by administrators and school board members. We learned a few new dance steps too! To encourage world wide peace, Future Leaders dedicated a Peace Pole on school grounds. The slogan “May there be peace on Earth” is on this six foot pole in four different languages.

From left to right: Karl Ondersma, Keith Rintamaa, Nick Tucci, Joe Wise, Dave Walker, Jim Graham, Tanya Pesch, Beth Ballew, Bruce Cole, Ken Kensa, Greg Orloff, Denise Knuff, Heather Clark, Karen Reed

The Future Leader executive Board is a small group of dedicated students who plan the activities of the large group. The board has small weekly meetings to discuss and organize upcoming events.
The TV production class is a unique class here at MHS. The year long class designs and records its own productions ranging from varsity programs to music videos. The students work in front of the camera and behind the camera starring in their own productions which were cable cast over Continental Channel 30.

From Left to Right: Dawn Haberman, Karen Osborne, Sue Krowse, Kris Cooper, Bill Fellows, Mr. Kowalke

The Chess and Strategy Club is one of the most active clubs in the school. The students meet every third Friday, eat, drink, and compete in "the games" till seven o'clock that evening. Popular games this year include: Battle Tech, Axis and Allies, Car Wars, D&D, Shogun, Junta, and Marvel Heroes.

Art Club is open to interested students at Mentor High. Activities include: donut sales, painting murals, participating in the art department's annual art exhibit, and visiting the Cleveland Art Museum.

First Row: Mrs. Lutzermoser, Mark Chiriho, Rob Carabotta Second Row: Courtney Flannigan, Susan Keyer Leher, Tracy Reckner Third Row: Rachael Abbey, Kristin Brewer, Susanne Krous, Sharon Abbey, Jennifer Pitrone, Noelle Ott Fourth Row: Mike Ireland, Ashley Hectus, Chris Weslee, Karen Malmal, Dave Walker
AMERICAN FIELD SERVICE

The American Field Service, commonly known as AFS has five foreign exchange students this year: Sham Al-Afandi, Carmi Arnaudo, Grethe Bagger, Estrella Olivan, and Enrique Patino. The countries represented are: Columbia, Malaysia, Norway, Phillipines and Spain. All of this year's students are being hosted by Mentor families. The students arrived last summer and will spend the entire school year attending Mentor High School. AFS offers an opportunity for American high school students to share educational, cultural and social activities with our foreign visitors, resulting in an increased awareness and appreciation for other cultures.

INTERNATIONAL CLUB

The International Club welcomes students of all foreign language classes. We participate in the Homecoming Parade, have fundraisers, go to a Spanish restaurant, participate in various activities during foreign language week and encourage students to learn a foreign language and it's culture.

First Row: Miss Mundy, Jim Plojewchak, Susanne Krouse, Debbie Koerwitz, Cindy Swanson
Second Row: Kris Griesmar, Kathy Haines, Sheuli Sen, Tracy Bilinsky, Chris Beck, Jenny Pitrone, Sue Keyerleber, Heidi Vollstapt, Vikki Wolfe, Nikki Case, Jenny Green, Dana Herrholz, Beth Fraser

The Occupational Work Experience group receives credit for graduation by working at approved job training stations during the afternoon portion of their daily schedules. They are employed by a number of cooperating employers in the Mentor area. Students learn practical job skills that give them the basis to become full-time productive citizens upon graduation.
The activities section worked hard this year to portray those students who follow the active way at Mentor High. The members of the activities section from left to right were Kristin Reed (Section Editor), Yanya Pesch. Kneeling were Adrianne Whittaker and Kelly Lennon.
The Winning Way
Mentor High School plays sports one way (the only way) to win. Each team competes against the GCC teams: Brush, Mayfield, South, North, and Euclid. Mentor's teams also compete against other teams outside of the GCC. All teams compete with the hopes of getting into regionals and then, for the best, competing at state. This year Mentor High expect to field several regional championships and to compete at state. Mentor High's teams truly know the only way to compete.
Friday Knights

The Mentor High Varsity Cardinal Football team finished the season with a record of eight wins and two losses. The team placed second in the Greater Cleveland Conference with a record of four wins and heartbreaking losses to the Euclid Panthers and the South Rebels.

The Junior Varsity Football Team won three games after an unfortunate loss to Collinwood early in the season.

Cheerleaders
At all of the football games there is much more happening than just the game being played on the field. The Fighting Cardinal Marching Band joins the team on Friday nights to entertain before the game and during halftime. The Majorettes and The Flagcorps perform at halftime along with the band during the halftime competition which is judged by the fans who watch. During the game morale is boosted by enthusiastic cheerleaders who charismatically lead the crowds in supportive cheers for Mentor High's football team. These groups: the band, the majorettes, the flagcorps, and the cheerleaders all contribute to the experience of a high school football game.

Extras
Girls Tennis
Boing!

The Girls Tennis team finished with a record of seven wins and six losses. The team lost close games to Gilmore, Brush, and Notre Dame. On the winning side of the game Mentor shut out Euclid and Shaw and beat several other teams with the loss of only one set. Next year's team is expected to go further in the Greater Cleveland Conference because many of the team members will be returning, four of whom played varsity this season.

The '87 Season

This year the Boys’ Cross Country Team had an exceptional year. They went undefeated in dual meets and extended their undefeated streak to thirty-one in a row. The team placed first in the Mentor, the Walsh, and the St. Joe Invitational. The team finished the season as the Greater Cleveland Conference Champions, District Champions. They took second place in the regional race, and fourth place in the State Championship race. This year’s co-captains were Pete Mussarra and Mike Damon. Outstanding sophomore of the 1987 season was Scott Nedley. Mentor High School is proud of its runners and wishes them the best of luck in the upcoming season.
In The Long Run

The Mentor Girls Cross Country Team had an excellent year going all the way to regionals where they placed ninth. To achieve this required an overall record of six wins and two losses leaving them with a record of six wins and one loss in the Greater Cleveland Conference. This GCC record gave them second place in the GCC and sent them onto districts where they placed third overall. This year's team expects to improve in the following years because this year's varsity team is made up entirely of juniors and sophomores.

Varsity And JV Have Excellent Year In 87

Two Named To OHSVCA Team

The Mentor volleyball team had an outstanding season in 1987. Led by co-captains and setters Laura Dolsak and Holly Petrine, the Lady Cards won the Greater Cleveland Conference for the first time since 1976 with a GCC record of 13-1. With a final record of 17-4, the spikers were seated second in the Euclid District and won the sectional title with strong victories over Ashtabula and Painesville Riverside. The team lost a heartbreaker in the District semifinals against conference foe Euclid, but the spirit and unity of our team during the last week will never be forgotten. Laura Dolsak, a three year varsity starter, was selected MVP of the team, first team GCC, and first team on the eastern of the OHSVCA's District two volleyball team. Junior Marcy Haluska was named to the GCC's first team and to the second team in eastern division of the OHSVCA's District two. Kerri Knaack was named to the second team in the GCC and Laurie Haluska and Holly Petrine were named Honorable Mention in the Greater Cleveland Conference. Senior Andrea Wood was selected as most improved player for 1987. Congratulations to our entire team on an exciting season and good luck to our graduating seniors in the years to come.

JV - The junior varsity team, under the direction of coaches Mast and Bielinski, compiled an overall record of 18-1, 13-1 in the GCC, and the Greater Cleveland Conference Junior Varsity Championship. The Junior Cards showed great team depth as every member contributed in all of our season matches. The entire team looks forward to continuing the winning cardinal tradition in the years to come.

Twice GCC

For the second year in a row the Mentor Soccer team placed first in the Greater Cleveland Conference with a record of eight wins, eight losses and two ties. The Junior Varsity A squad finished the season with a record of fourteen wins, three losses, and one tie, and the Junior Varsity B squad finished the season with a record of nine wins, three losses, and no ties. This seventy player team also won its fifth City Championship against Lake Catholic. Chris Waina, Steve Shields, and Mark Kolneker were News-Herald players of the week. The Greater Cleveland Conference all stars from Mentor were Brian Rich, Steve Shields, Mark Kolneker, Bill Manus, and Dan Rich. Next year's team is expected to improve as a team overall.
Girls Soccer
A First

After several years of co-ed soccer the team has finally been separated into two teams - a boys' team and a girls'. In 1987 MHS fielded its first girls' soccer team. This team was made up of thirty girls ranging from sophomores to seniors. Mentor is one of the few Greater Cleveland Conference schools to have created a girls' team. The first year of any sport is a year of experimentation. Not only did the team have to find where they stood in relation to their opponents, but they also had to determine their strong points and their weak points. This year's coach, Mr. Sweeney, has started this process.

Mr. Sweeney and the rest of the team worked on their weaknesses during the season by the baseball diamond in front of the student parking lot. Many of their weaknesses were resolved and with a larger and more experienced team greater success is expected next year. We at the MHS Yearbook wish the best of luck to this new team and its future.
A Courtly Season Of Basketball

The Boys’ Varsity Basketball Team has an overall record of six wins and nine losses to date. They lost several hard played, close games. The Mayfield and Maple Heights games were both lost by less than five points. A bright spot in Mentor’s season was beating Euclid’s fifth ranked team.

The Junior Varsity Team has an overall record of eleven wins and four losses and is the future of the team. Best of luck with the rest of this season and next year’s games.

Court Play

The Varsity Girls' Basketball Team has an overall record of thirteen wins and four losses. Their Greater Cleveland Conference record is nine wins and three losses to date which puts them in second place. There were several recognized varsity players this year. Among them were Laura Dolsak as a News Herald player of the month and Laurie Haluska as a high scorer. The JV team’s record this far is also thirteen wins and four losses. This year’s JV team has fourteen sophomores.

Win

The returning AAA Championship wrestling team has eight wins and one loss overall to date this season. In the Greater Cleveland Conference it is ranked second to Brush. The varsity team has participated in several tournaments this season. In the North Canton Hoover Tournament, Mentor placed third overall and in the Brecksville Tournament, Mentor placed fourth overall. Exceptional showings were made by Al Parker, Pat Berczy, Dan Hulten Andy Douglas, John Freshwater, Jim Campbell, Todd Victor, Jason Forro, and Mike Costanza.

The JV Team has a record of nine wins and one loss so far this year and has also participated in several tournaments. In the Madison JV Tournament Chris Ferritto (2nd), Mark Capretta (3rd), Brian Frate (3rd), Brian Liles (5th), and Matt Bahr (5th) all placed. At the GCC JV Tournament first places went to Robert Allen, Phil Smith, Tim Brunckula, Mark Knurek, and Jason Forro.

The Yearbook staff wishes the team the best of luck in the near future and beyond.

Sports!
Aquatic Sports Team

The Mentor High School Boys' Swim Team has so far this season achieved a record of four wins and one loss in the Greater Cleveland Conference. Its overall record to date is ten wins and three losses. The boys' swim team can still win a share of the title if they win the conference meet which is held on February 20th.

The MHS Girls' team has also had an excellent season to date. Its overall record is twelve and one while its GCC record is an undefeated five wins and no losses. The Girls' team is sure of at least one tie for the GCC Championship. The yearbook staff wishes both teams success through the rest of the year and throughout the next year.

Race For GCC

The boys track team placed second in the GCC in 1987. There were several outstanding runners for Mentor. The best of these runners went to state. Pete Musarra in the mile, Tom Ross in the mile along with Ken Stump. Ken Stump placed fourth in the state meet with an excellent time of 4:16, the second best Mentor performance in the mile. In the other events outstanding scores were turned in by Kevin Knaack in the high jump, winner of the GCC championship meet, and Eric Voigt, district champion in the discus. This past season will inspire this year's boys track team to succeed.
Running In Circles

The 1987 Girls Track Team had a fine season. With a lot of hard work and fun, they earned a 3-4 record in the GCC, and an overall record of 6-5. They finished fourth in the GCC, which was very good considering that eighty percent of the team consisted of sophomores. Sophomore Debbie Bean set a school record with a shot put of 35' 3 3/4", and was the first qualifier to Regionals in the last two years. Senior Lynda Horvath set the school record with 16.4 seconds in the new 33" 100 meter hurdles. Sophomore Kymberly Young received MVP honors and Coach Woodman looks forward to an even better year in 1988.
B Diamond Play '87

Baseball

The Boy's Baseball Team finished with an overall record of 14-12. They placed fourth in the GCC's with an 8-6 record. The 1987 season was thought of as a "rebuilding season" after graduating from the regional championship team in 1986. The top three hitters will be back in 1988 and they are looking forward to building on the work completed last year.

The Umpire Says:

Last spring's Varsity girls' softball team took fourth place in the Greater Cleveland Conference with a record of eight wins and six losses after a year of rebuilding. Their overall record was fourteen wins and twelve losses. Next year's team expects to build on the sound foundation that was developed over the spring.
JV Softball Team Win GCC With 9-5 Record

The Junior Varsity Softball 86-87 team placed first in the Greater Cleveland conference with a record of nine wins and five losses. The team’s overall record was eighteen wins and five losses. This year’s team started with an impressive record of eleven wins and one loss and a batting average of .377. This year’s Junior Varsity team aspired to become more fundamentally sound both defensively and offensively.
Swinging

The varsity boys tennis team completed an outstanding season with a 9-7 record. The weather held out to help our MHS varsity players to victory. The team placed third in the GCC. Congratulations to senior Greg Strasser who qualified for the singles regionals. The team is looking forward to another year of great improvements.
Tennis

JV
A First

This year Mentor instituted a hockey team as a varsity sport. Many underclassmen came out this year, so the team will have many experienced players in the years to come. Although the team was new, it had an excellent fan turn-out at its home matches at the Mentor Civic Center Arena. We on the yearbook staff wish the team continued success and the best of luck in the future.
87-88 Sports

The 1987-88 sports seasons have seen the creation of two new teams at Mentor High School. The sports section would like to take this opportunity to recognize these teams and to welcome their coaches.

Coaching the Girl's Soccer Team is Coach Sweeney and coaching the hockey team is Coach Smeltz. The staff wishes these coaches and their teams many years of success.
Teaching The Way
From teaching a class to advising extracurricular activities, the faculty is a big part of the success of Mentor High School. Their dedication and devotion to the students and the school help them complete their job: to teach the way.

Right corner: Dr. Hans Pesch
The unit offices are a central part of each class. This is the heartbeat of the classes. It is where future classes, future careers, and future educational plans are determined. The unit offices unify Mentor High School, the largest three year school, into workable groups. The role of the people who work in the unit offices are an integral part of MHS life.

The Mentor High School Foreign Language Department offers four languages: Latin, Spanish, French, and German. Classroom activities stress the four skills: listening, speaking, reading, and writing, and special attention is given to oral proficiency in modern language.

Many of Mentor High School's students gain valuable information by enrolling in the business classes. These classes prepare the students to handle the business world today. Typing, Shorthand, and Accounting are just a few of the selections available.

Mentor High School's Home Economics Department, directed by only three members of our staff, offers a wide variety of courses. These cover subjects in food, clothing, housing, and parenting and are designed to prepare the students to survive living on their own. A new course entitled Sports Nutrition is designed to examine the nutritional needs of athletes in training.

The Industrial technology department covers a wide variety of subject material. The department teaches everything from electronics to communications. This department not only increases the number of opportunities at Mentor High, but it is also involved in other school activities.

The 14 full time and 3 part-time teachers in Mentor High School's Math Department teach approximately 80% of the student body. The eleven year-long courses and 4 semester courses include Statistics, Advanced Placement Calculus, and computer courses entitled Computer in Math and Science I and II. The Math Department is involved in the National Mathematics Exam in March and the Ohio State Early Math Placement Test for college-bound juniors.
When you think of MHS you might think of the English department or the Math department, but consider the basic need that the Physical Education department fills. This department keeps the students of Mentor High physically fit. The department approaches this in the form of sport, leisure, and fitness gym courses. These courses not only help keep our students physically fit, but they also create a link between academics and extracurricular sports at MHS. Not pictured: M. Giancola, N. Hillstrom, R. Kerschbaum, L. MacGregor

This year the science program has taken on a new outlook. The new textbooks and new lab experiments make this year's science department one of Mentor's best ever. The Chemistry and Physics programs have made more use of the computers and participated in competitions involving egg drops, mouse trap racers, and bridge building. In next year's curriculum is Mentor High School's fourth AP course: AP Physics.

The Mentor High School Art Department offers a dualistic art program to help meet the needs of those students who are planning on pursuing formal art training after high school as well as those whose art interest will not lead them to choose an art career. The program enables the student to choose any of 8 specific media classes and an independent study which can be used by the student for a more in-depth study of any of these areas. The Fine Art track has three full year courses which leads to a Senior Art Portfolio used by the student for scholarships and art school acceptance. Our art students have been very successful in obtaining scholarships, and most of the students who take art courses leave with an understanding and interest in art that will last them the rest of their lives.

The music department at Mentor High School is one of the most active department in the school. Challenging students both chorally and instrumentally, the department is known throughout the state for its superior ratings in the Ohio Music Education Association contests for choirs, bands, orchestra, and solo and ensemble work.

Chorally, the students at Mentor sing in Mixed Chorus, Men's Chorus, or A Capella Choir. The instrumental members begin the season in the Fighting Cardinal Marching Band. After the exciting marching season, the students join Wind Ensemble, Concert Band, or Symphonic Band. The string students at Mentor perform in the orchestra, and many audition for Mentor's Mahnheim Orchestra. All the groups perform throughout the year and each participates in OMEA contests.

Mentor's Top 25 is a nationally recognized show choir.
Left: Doug Truesdail, Vicky Wolfe, Danny Chin

Though the Faculty section was delayed due to photography, our hard work finally paid off. A special thanks goes to Doug Truesdail and Danny Chin for their loyalty and dedication and to the entire yearbook staff for their patience and helpfulness. Also, a special thanks to the following staff members for their cooperation in helping with the yearbook this year: Mr. Hieronymus, Mr. Lillback, Mr. Mocadlo, and Mr. Korcheck.
The Marketing Way
This section is filled with advertisements from the business community. We would like to take this time now to thank the businesses and parents who sponsored this 1987-1988 yearbook and helped make it one of the best yearbooks ever.

Adviser's Note:

Although we had a small staff this year, all members put in 100 percent to make this book possible. An extra special thank you to BruceCole whose dependability and dedication knew no boundaries. Without the determination of those willing participants, this book could not have been produced. We thank everyone for a job well done.
Recipe For A Successful Yearbook

Take 2 friends (yes, that's us), add 7 months of yearbook, throw in 2 fresh advisors, a handful of staff members, 223 3-R planners, 20 grease pencils, 7 broken croppers, 500+ copy sheets, 29,000 destroyed brain cells, 15 dozen donuts, a ton of pizza, 99 liters of pop and a few odd napkins — just in case of a mess. Mix all ingredients well. Sprinkle with 500 hours of hard work and ship off to Lenny.

Follow this recipe & we guarantee you a successful yearbook!!!
