## Putting It Together

Vol. 64
**Friends Forever**

School’s not just books and more books, it’s also a terrific place to see all of your buddies. Just walking down the halls of Mentor High will open your eyes to so many people who just enjoy being together. You and your friends will share a lot of good and bad times in high school, but all the memories of your high school years will be with you for the rest of your life. You’ll never forget the time when you and your friends went to the most frightening haunted house, and the 20 minutes spent inside felt like forever. Not to mention the time when you and a few friends went to Cedar Point and ended up soaking wet after riding the White Water Canyon. It’s times like these that you’ll look back at and smile, and you’ll always remember your wonderful high school friends.
What is a friend?
Who knows what a friend is?
Ah, answering that question brings
the doctor and the preacher in their
long coats running over the fields. I
know not, I confess, what constitutes
a friend.
Will you be my friend?

-by I.M.A. Sensitive Guy
Talk About Bad Days!

Have you ever "woken up on the wrong side of the bed" and discovered that nothing seemed to be going right? It seemed like one horrible thing happened right after another. You just couldn't help but think, "Will things ever get any better?" in total exasperation. The Yearbook Staff has conducted a survey just to find all the possible things that have happened to Mentor High students on the worst day of their lives.

On the worst day of my life I . . .

"... had my contacts bother me all day long."  
—Brian Lehmer

"... was stuck on a cruise ship, wanting to go home because my mom and brother were sick."  
—Tina Napoli

"... missed my bus and my locker jammed when I got to school, and when I finally got to school, got lost going to all my classes."  
—Todd Eames

"... used to work at Little Caesars and six people came in and yelled at me because of the pizzas."  
—Tina Boczek

It's days like these that you just wished that you had never got out of bed!
Left: Kristen Brewer attempts, with difficulty, to clean out the pile of folders, papers, and books in her locker.

Center top: What a mess!!

Center bottom: Chris Peoples has his temperature taken by an incredibly kind Mentor High clinic assistant.

Right bottom: A Cardinal football player bears a frustrated look in his effort to beat the opposing team.
Try to picture it. It’s the middle of a long lecture on the causes of the Revolutionary War. Your eyes drift slowly, your head is swaying, and you consistently yawn. Before you know it, your snoring is the dominant sound in the room. So what’s your excuse? I know, who really cares what the causes of the Revolutionary War were? It’s over, and they always say you should never live in the past. All right, fess up. I know you’ve all been there. Okay, so if it’s not the Revolutionary War then it must be those boring filmstrips you always see in health class.

(continued on the next page)
Regardless, almost everyone has been the victim of a short class nap at some time in his life. No, kindergarten doesn’t count! Well, come on, be honest. Have you ever been caught? So the teacher called your name and you were suddenly forced out of your dream world. Not too bad. At least you weren’t leaning on your hand only to awake to the thud of your head hitting the desk. That’s the worst. Well, if it wasn’t one of these choices, then maybe the yearbook photography staff got you and placed your picture right here. I guess we caught you catchin’ a snooze!
When The Clock Strikes 2:26

A tone of the bell echoes through the empty hallways into the classrooms full of restless students. The clock reads 2:26 P.M. exactly, signalling that sixteenth module is over. Everyone quickly exit out the door and another day of school has ended. The lockers slam loudly, ringing through the halls, as the students grab their boots and coats and head for home, to an after-school activity, or just out with some friends. Each person heads out on his or her own separate way and soon the locker bays are silent. Another day of school has gone by.

Extreme upper left: The clock strikes 2:26 P.M. signalling the end of the school day.
Extreme center left: Junior Lynette Becker helps out at Homecoming set-up.
Extreme lower left: Our Mentor Drama Club works hard after school to perfect their performance.

Mentor High School, being the most populated high school in Ohio, has a variety of people. With so many people you do not get to see every person, so here’s just a taste of the different students that attend Mentor.

Bottom right: It's 2:26 P.M. and everyone's heading on home.
We started off as sophomores here, or "scrophs" as the upperclassmen would have said. We survived fitness class, formaldehyde, and hot days without shorts. As juniors we encountered hair aflame by bunsen burners, and someone jumping out a window. Here we are finally seniors; the moment we have all lived for is finally here: prom, graduation, parties, and fun galore. In the years to come, we can all look back at these pictures and remember how great our senior year really was.

The Spirit Of Halloween

The spirit of Halloween isn't just about stealing some candy from your little brother or sister, and it isn't only about scaring the little bratty kid next door half to death either. It is about having the once in a year opportunity to go wild and be someone different for a change. Who cares about what other people might think. Do it just to have some fun, if nothing else. After all, there aren't too many years left before we all outgrow Halloween. Well, um, some of us anyway.

Physics

Physics: The class where students combine their creativity and knowledge to perform certain physics-related activities and to have fun in doing it! This page is dedicated to physics and the students who spent as little as 5 minutes or as much as 5 hours in making the paper tower and egg drop. In the paper tower, physics students figure out how to make a single piece of paper into a 150 cm. paper tower. In Miss Williams’ classes, Ryan Rutter built the tallest tower to a height of 212 cm. In Mr. Ramsey’s classes, Keith Hartsfield and Josh Freshwater reached a height of 231.5 cm for their tower.

For the ever-so-popular egg drop, students have to create a 20 gram container that will protect an egg from a 5 meter drop. Four students from Mr. Ramsey’s classes and two students from Miss Williams’ classes were able to create a container that withstood an 8 meter drop. They were: Tracy Crane, Karl Palek, Dave Chaika, Andy Douglas, Nikki Tetonis, and Wendy Churchill. Those in Mr. Ramsey’s classes who made it through the 8-meter drop had the opportunity to test their containers at the fire station where the eggs and containers of eight students survived the drop from the scaffold. They were: Vikki Vazach, Dawn Mahter, Marcy Haluska, Laura Gilbert, Jenny Miller, Lisa Anselmi, Dharmesh Patel, and Om Prasad. Congratulations to all those who surpassed the needed height of both the paper tower and egg drop.

And a special thanks to Miss Williams and Mr. Ramsey who supplied the physics pictures. Also, congratulations to Chuck Stevenson, Scott Beall, Matt Nathanson, and Matt Porter who qualified in the Greater Cleveland Conference Mousetrap Races where a vehicle, powered by a mousetrap, is able to transport a can of pop.

Senior Class: I hope this section has been the best you’ve seen from your years here at MHS. I tried to do my best and put forth much time and effort to make this section as creative and spectacular as I possibly could. And of course, having the biggest and most helpful staff made the work a lot easier! Congratulations senior section, we did well!

Four Records Set In 1988

After finishing the G.C.C. dual meet season with a record of 7-0, the Cards finished third in the conference meet by a mere one and a half points and wound up with an overall finish of second place in 1988. The young athletes were a force to be reckoned with, as no less than four school records were set by junior regional qualifier Debbie Bean in the shot with a throw of 39’8”; junior regional qualifier Kim Young in the 800m run with a time of 2:21.82; sophomore district champion, regional champion and state qualifier Tammy Ruland in the 100m hurdles with a time of 15.42 and sophomore, regional qualifier Danielle Kinsey in the high jump with a jump of 5’3.5”. Other regional qualifiers were Laura Gilbert, Tish Roszewski and Karla Krom in the 3200m relay; and Jill Davis and Monika Hammer in the 800m relay. Our young team hopes to pick up in 1989 right where they left off, as they go after their first ever G.C.C. Championship. Good luck Cards!

The JV baseball team really looked forward to playing Euclid and winning the GCC Championship. Although Euclid won both of the contests, 6-1 and 2-1 respectively, the teams played great games. Coach Giancola says that the goals for the season were to “become successful and improve on individual defensive and offensive fundamentals in order to be able to play at the Varsity level.” Batting, fielding, and pitching contributed to the success.
Mentor's Varsity Softball team competed well this year. A record of 7 wins and 7 losses was achieved in the G.C.C. with an overall record of 10-13. Senior Annette Beatty was chosen for First Team All G.C.C. and Best Defensive Player of 1988. Senior Sarah Wennerstrom was chosen for Second Team All G.C.C. and Best Offensive Player of 1988. Sophomore Dana Russo received the Coaches Award for 1988. Junior Shannon Shuttleworth received Honorable Mention All G.C.C. and Most Improved Player 1988. Congratulations to the whole team and Coach Walt Klepec.
The Mentor High JV Softball team enjoyed a successful and fun season enroute to a 13-3 overall record and the G.C.C. Championship under the guidance of Coach Dubensky. The team compiled a .475 batting average led by Stephanie Drozdo, with a .676 average. Jenny Walsh and Rachel Heckel hit .600 for the Lady Cards. Walsh and Homerun Champion Chris Kelleher led the team in RBI’s with 20 each. The brightest of the stars on the pitching staff, which compiled a 4.08 ERA and 16 strikeouts, was Julie Graf with a 1.75 ERA and a perfect 5-0 record.

With the hope of placing in the top half of the G.C.C. Conference and getting to the regionals for a third consecutive year, the Varsity tennis team began a fine season which amounted to 4th place in the G.C.C. and an overall record of 9-6. The MVP honor went to Ron Gainar, and John Roberts received the Coaches' Trophy. Also, congratulations to regional qualifiers George Tetonis and Mickey Brown.
The Mentor High School Varsity football team added a lot of excitement to our fall Friday nights in 1988 with a season record of 5 wins and 5 losses. Among the outstanding achievements many individuals excelled. Running Back Greg Huss led the scoring with ten touchdowns and was named News Herald All-Star of 1988. Huss, Linebacker Joe Tracz, and Defensive Back Dennis Lauderdale were All-Conference 1st team players. Tracz was also named Lineman of the year and News Herald All Star Defensive Player of the Year. Kirk Duncan (Tight End), Offensive Lineman Tom Barndt, and Defensive Lineman Mike Grigonis were members of the All-Conference 2nd team. With outstanding team effort, they worked their way to a 5-2-0 record in the G.C.C. Only 85 points were scored against them, while they scored 135 points!
The Mentor High Varsity Soccer team worked hard this year with almost 40 players. They achieved a record of 3 wins, 4 ties, and 3 losses against schools of the Greater Cleveland Conference, placing fourth in the Conference. The overall record was 8 wins, 9 ties, 3 losses. Throughout the season, the team scored 57 goals while only allowing 29 to be scored against them. The highlight of the season was Mentor's 1-0 upset win over #1 seeded Mayfield in the State Tournament. Next year, Mentor hopes to take back the G.C.C. title.

Winners In The 2nd Round

Teamwork, competition, individual performance, and improving the overall record were among the many goals Coach Sweeney felt the Varsity Girls' Soccer team accomplished this season. Although the team was a lot younger and the program was new to Mentor High School, the girls more than doubled the wins they achieved last year. Senior starters: goalkeeper, Kristin Reed; defender, Corey Jenejic, and midfielder, Captain Kristy Szabo; as well as Jenny Chen, Amy Tornita, and Colleen Smith will be greatly missed. Each girl helped in making the year the success it was. The coach expects next year's team to be even better as both the girls and the program mature. He said, "I am proud of every one of them. I look forward to all the girls returning for another successful season next year." Congratulations on being first in the GCC!
The Boys’ Cross Country team won 10th consecutive GCC championship this season. They also qualified for the state meet for the 9th time in 10 years. The team won District and Regional titles along with the Mentor, St. Joe, Walsh, and LCCC invitationals. Their dual meet record was 8-0 bringing the team’s record over the past 11 years to 79-2. One of the highlights of the season was placing 2nd at the McQuaid Invitational, which is the largest high school meet in the country.

1st place in GCC with a record 7-0!
Teamwork Wins
GCC

Thirty top runners comprised this year’s edition of the cross-country team. Senior captains Kathy Thress, Debbie Paolucci, and Laura Gilbert led the team to a GCC Championship. This was an exciting victory after last year’s second place finish. The team strategy was “the pack” with the best five to seven runners finishing within thirty seconds of each other. This strategy helped the girls earn great victories against Euclid and North, as well as outstanding performances in the GCC and District meets. The team qualified for Regional competition as a result. Tish Rozewski and Kim Young earned the first place team All-GCC honors.

GCC Champs

Coach Polinski
This year the Mentor Varsity Wrestling team proved to be the best ever! The wrestlers were a perfect 14-0 in duals defeating Maple Heights 31-21 for only the fifth time in Mentor wrestling history, and the team took the G.C.C. for the second year in a row. The wrestlers turned in a fabulous showing at the North Canton Tournament as they placed fourth as a team. With the help of Pat Berdysz (2nd), Andy Douglas (2nd), Josh Freshwater (3rd), Chris Uterhark (3rd), and Brad Skilton (4th), Mentor had a great performance at the Brecksville Tournament as they took second and edged Maple Heights by ½ point. The team also went 7-0 in the finals.
The J.V. Mentor Wrestlers went undefeated, placed first in the G.C.C., and had a good showing in the Madison tournament. Placing first in the G.C.C. tournament were: Jason Freshwater, Chris Ferrito, Dale Vernon, Eric Coughlin, and Barr. Second place went to Greg Marthe, Ted Calkins, and Brian Wagner. Third place was taken by Rod Dickson and Brian Ross, and fourth place went to Mark Gasper, and Mike Zangare. Placing first at Madison was Jim Fultz, second place went to Tim Deeb and Paul White, while third went to Mark Coppretta, Alan Heyduk, Mark Conzelman, Brad Morgan, and Brad Bubonic. Placing fourth were Mike Toth, Ryan Skully, and Al Dumont.

Coach Corcoran has some very good reasons for being proud of this year's Boys' Basketball team. Many of the young men on this Varsity team have been working since the end of last year's season to become better basketball players and help their team reach its goals. The program demands a lot out of the players physically, mentally, and emotionally. Obviously, the hard work is paying off, since the team is tied for first place in the G.C.C. (as of the end of January). The team has a new coach Mr. Pat Vuyancik, and he has been an excellent addition to the program. The team would like to thank the cheerleaders, the booster club, the spirit club, and the fans for their support.
The MHS Girls' Varsity Basketball team had a very successful 1988-89 season. Their work in developing strength and unity as a team certainly helped them control the Greater Cleveland Conference. Tri-captains Laura Gilbert, Marcy Haluska, and Megan Reilly led the senior-dominated team. Exciting moments during the season included last second victories over North and Euclid. The girls set scoring records against Mayfield with a 78 point performance. Congratulations to 3rd year starter Marcy Haluska who moved into 4th place on the All-time career scoring list.

OWE VICA sponsors several fundraisers throughout the school year. The profits are used to purchase supplies and equipment for the OWE program. Last year the club purchased two VCR units and a color TV for use in the classroom. The OWE VICA club also sponsors a year-end Cedar Point trip for its members.
Lights! Camera! Action! Action was definitely a word to describe the M.H.S. Drama Club this year. As usual they were quite busy with the two main productions, *A Fate Worse Than Death* (performed in November), and the classic '30's musical *On the Twentieth Century* (performed in November). In addition, the club also began tours to elementary schools with a play about child abuse. The play was entitled, *The Secret in the Toy Room*. They attended the Ohio Thespian Society Conference at Ashland College in April, and in June they are planning to take a show to I.T.A.C. (International Theatre Arts Conference) which is held in Muncie, Indiana.

HONORS

STRIVING
FOR SUCCESS
Do these people look academically inclined to you? Don’t be fooled by their easy-going attitude! These Academic Decathlon members stay after school for weeks, studying for their competitions. Members must pass entrance exams and are placed on three sub-teams with different grade point averages. Last year’s team placed 1st in the state and 7th in the nation. We wish this year’s team lots of luck.
The Whiz Quiz team is a new addition to the academic community of Mentor High School. They participate in a quiz show on radio. So far this year, the team has the highest point total. Good luck for the rest of the season.

One Moment
In Time

Members of the Fighting Cardinal Marching Band showed their spirit throughout the week. They performed during the pep rally, marched for the parade, and played at halftime at the football game.

This year’s Homecoming theme was "One Moment in Time". The event was sponsored by the Future Leaders of America, who were happy to say that it was the most successful Homecoming dance ever, with more than 800 people attending.

Homecoming Queen Cheryl Bober was crowned Thursday afternoon at the Pep Rally and took part in the parade Friday evening.
Mentor Vs. Bedford

Though Mentor played heroically, the Cardinals lost the Homecoming Game to Bedford in double overtime.

The Homecoming Parade was full of cheering Cardinal fans this year. Top 25, the Fighting Cardinal Marching Band, and the Wrestling Cheerleaders won prizes for their entries in the parade. Future Leaders had the surprise of the day when they pulled up in a silver limousine.

Foreign Exchange Students

This year, Mentor High School is happy to host five foreign exchange students. Sponsored by AFS, these students stay with local families and attend classes at Mentor High. George Sanchez is from Spain, Saskia Marschke is from Germany, Marina Riokoldi is from Italy, and Setsu Itagaki and Chika Yoshida are from Japan. We hope that these students have a good year here at MHS.
LAB (Learning About Business) is a one week intensive program held during the summer at Lake Erie College in Painesville. Students spend their time talking to local businessmen and listening to lectures in order to learn how to run a business. A computer simulation game measures their progress. At the end of the week a reward of real stock is given to the team who places first in the computer simulation game.

National Merit Scholars

Each year, as a result of PSAT scores, National Merit Scholarships are given out. This year, we had six semi-finalists for these honors. Many others were recognized as commended scholars. Most of these people scored in the 99th percentile in the verbal or mathematics section of the PSAT. Thank you for creating a good image for our school.

Have You Ever Wondered What A Unit Principal Does?

The unit principal primarily deals with any discipline, attendance, or social problems his students create. He must communicate with parents, send out newsletters, verify senior graduation expectations, set up orientation for 10th grade students, observe faculty, and in general be the first line of communication between students, parents, and teachers.

Congratulations!
Mr. Koerwitz,

I always wanted to thank you for everything you've given me— from the nature hikes years ago to dissecting a frog (not to mention the many hall passes you've written for me). Thanks for teaching me even when I didn't want to learn. Dad, I'm sorry for being such a pain sometimes. Thank you for always caring.

Come, they told me, pa-rum-pa-pum-pum.

To be, or not to be, that is the question.

Kath, is that your foot you're steering the wheel with?

There's got to be something in this book we can copy that looks like this.
Greg Orloff, a devoted member of the yearbook staff, has helped contribute to many aspects of the 1988-1989 yearbook. Without his assistance, this yearbook would be at a loss. Greg has travelled over the world. In his visit to Australia, Greg met with many different companies in regards to the growing technology in petroleum research. In meeting with these different firms, he was able to contact a publishing company centered in Sydney, Australia. In doing so, Greg was able to exchange varying ideas with his newly found friends. Thanks Greg!

The yearbook staff would like, again, to thank Mr. Allen. His ability in photography has lend credence to the production of our yearbook. Here's to you Mr. Allen.

Pam is a sophomore at Mentor High and a 1st year member of the yearbook staff. She is involved in the Mentor High School art program and is responsible for designing the yearbook cover. Nice job Pam.

Shelly is the talented artist who created the divider pages for each section of this yearbook. We thank you for the time and effort you have put into making the divider pages great!

Future Leaders And The Class Of 1989 Work To PUT IT TOGETHER!

Over one hundred people showed up for Prom set-up Friday afternoon. Above, Mary Kay Roediger, Lisa Federico, and Kim Young add the final touches to the garden scene. With a lot of hard work Josh Freshwater, Carma Sayer, Dawn Mahter, and Jenny Petrone finally get the balloon filled. Takes lots of hot air, huh guys?

Homecoming Weekend began before the weekend did. Thursday morning students attended the pep rally, and that evening was the bonfire. Finally Friday night came and the Mentor Cardinal Football team faced off with Bedford, unfortunately losing by only a narrow margin in double overtime. The weekend culminated with the Homecoming Dance Saturday night. As for Sunday, well that was yours to deal with, but most likely it was spent recuperating.

"One Moment In Time"
Each year the Future Leaders of America sponsor the Senior Citizens Dance in the Mentor High cafeteria. An excellent dinner is served and the students provide the dancing, conversation, and entertainment.

Joe Knize, the man of many identities, is pictured to the right. You’re the life of the party, aren’t you Joe?
Above, senior Laurie Cortell and her dinner guest pause to flash their stunning movie screen smile for the camera. To the left, Crystal Armonas is the head of the table among her friends.
