Cleveland Blur, cover art by senior fine artist, Brianna Beck
As my future awaits, I reflect on my past. I think of how I could not wait until my senior year, graduation, and my life to begin. Now that this has become reality, I am absolutely terrified. When I was younger, I remember looking through a Mentor High School yearbook and being taken away by the cover. I thought to myself “How could someone be so talented?” I thought it would be an honor for a piece of my work to be the cover, but I knew I would never be as good as the previous artists. Little did I know, I was foreshadowing my future. Art has always been an important factor in my life. As a little girl, I always had a drawing utensil in my hand or was making some type of craft, but I never knew it would affect me the way it has. Art has helped me discover who I am and how to express myself, not only on paper, but in a multitude of ways.

My portfolio of work focuses on reflections of the past, present, future, colors, mood and emotions. I feel as if reflections tell much about a person and the way they express themselves. Each piece of my portfolio tells a different story about me and relates to my life in various ways. It tells my life on a piece of paper, each telling a different part.

Theatre is another passion of mine, which inspired me to do “Cleveland Blur”. I find Playhouse Square to be an amazing place filled with people who are doing what they love and working toward their dreams. Theatre has taught me the valuable lesson of never giving up. Although disappointment has always found its way to me, I keep trying my hardest. At times, life may seem like a blur, but you must focus on the happiness, people, and memories that have surrounded you over the years.

Now is the time in our lives that we must reflect on the past and use what we have learned as we look toward the future. - Brianna Beck
Looking back, life seemed so simple and responsibilities seemed so far away. As a high school senior, I now understand how quickly four years can pass and how things can change; how I have changed. I have forged great friendships and learned well, in both art and academia. I have enjoyed being part of the Class of 2012. We have certainly left our mark on Mentor High School, and it has left its mark on me. I may spend my days within these walls, but my mind is often wondering about the future. Now that graduation is upon me, I don't want senior year to end.

These have been four exciting years, but it is time to move on. This final year of high school really put everything into perspective for me. I think about things that would have never entered my mind in years past. It has been an important year, and my best year of high school. Mentor High has prepared me, and all of us, to join the larger world and succeed in anything we put our minds to. High school is not the end of good years, but the start of better ones to come. Here's to the Class of 2012! -Kathleen Flaherty (Senior Editor)

Camera shy, but why?

A teacher looks at his/her class and sees many eyes. During the year, most of us read, "The Lord of the Flies". In Biology we learn about macromolecules. We are all cool even though we all act like fools. In history, we were taught about the American Industrial Revolution. If you have a problem, we have a solution. Writing geometric proofs is not always fun. We will always love being in the 2011-12 Sophomore class a ton.

Look into a mirror, think back to the first day of school.
How much have you changed?
The glasses are now contacts.
The braces are off, leaving a row of straight, pearly white teeth.
New friends are at your side, cheering you on and helping you through the rough times.
Moments of happiness are now unforgettable memories.
These memories are brought back by pictures.
Pictures that capture those brief instants of friendships and joys that are now a part of the past. Look at your reflection.
Think back to those Freshmen days.
Remember.
And never forget; these are the times of your life.

On a crisp summer sunset, the crest of the stadium is attentive to the noteworthy cadence of the approaching marching band. For the 2011-2012 school year, The Fighting Cardinal Marching Band will field 210 dedicated marchers. The students begin at the break of summer, spend countless hours preparing music, and memorize over ninety sets of drill. The numerous hours are for the production of the fall halftime show and competition show. The band will forever remain a family. Once a cardinal, always a cardinal.

Performing Arts students at MHS are encouraged to participate in local, state and national events, shows and competitions throughout the year. The Ohio PTA, through National PTA, holds an annual cultural arts program, called Reflections. Children in preschool through grade 12 are encouraged to create and submit works of art in six arts areas: Literature, Visual Arts, Photography, Dance Choreography, Film/Video and Musical Composition. The Reflections program allows PTAs throughout the state to recognize children for their creativity in portraying yearly themes. The 2011-2012 theme was, "Diversity means..." Students submitted artwork to their school PTAs. Works were judged at the local level and the winning entries advanced to the council, district, region, and/or state PTA levels. Top state award-winning entries advance to the national level of judging. Many of the national finalists have been from right here in Ohio. This year Stephanie Scott (grade 12) won the Senior Ohio PTA Award of Outstanding Achievement (Film), Cassandra Yee (9) won the Senior Ohio PTA Award of Merit (Film), and Abby Siatkowski (10) won the Senior Ohio PTA Honorable Mention (Literature). Lake County Council winners in Literature also included Sarah Ruckstuhl (12) and Abigail Meinen (11), in Photography: Carolina Kane (9) and Alexander Bittner (9), and in Visual Art: Grace Sheppard (11), Maggie Davis (12), and Jamie Michaels (12).
"An Artistic Discovery," Congressional High School Art Competition sponsored by U.S. Rep. Steven C. LaTourette (R-Concord Township) is open to only high school students who live in the 14th Congressional District. All four 2012 winners were from Mentor High School. This year Brianna Beck’s entry, Cleveland Blur (as seen on the cover of our yearbook), has been selected as the winning entry. Her piece will be displayed in our Nation’s Capitol along with other winners from across the country for one year after the ribbon cutting ceremony on June 20th. Aidan Walsh, another senior at Mentor High School, won the 2011 Congressional High School Art Contest, last Spring, Aidan submitted a charcoal drawing called, Before the Dance Recital (see photo below). Her entry, Magic Kingdom, has been awarded 2nd place this year and will be displayed in our Congressman’s Washington D.C. office for one year. Charlotte Klimovich’s entry, Frozen in Time, has been awarded 3rd place and her piece will be displayed in the lobby of our Congressman’s Painesville Office. Rebbecca Korte, another junior at MHS, has been awarded 4th place for her entry, Thirsty, and her piece will be displayed in our Congressman’s Twinsburg office for one year.
The Ohio Governor's Youth Art Exhibition, now in its forty-second year, is dedicated to the educational and artistic advancement of our talented young people in the state of Ohio. The exhibition is open to all of Ohio's 1,112 high schools, both public and private, chartered by the State of Ohio Department of Education. Our purpose is to provide all budding young artists of the state with opportunities to advance their talent, whether that be through scholarships or simply experiencing the process of entering their work in a competition. The exhibition is a valuable incentive for our young people; it encourages an appreciation for the arts throughout Ohio and reflects the fine quality of art instruction and talent which exist in our state.

The state judging for the Ohio Governor's Youth Art Exhibit took place in Columbus on March 10th. The judges for this level of competition are chosen from all over the country and are generally professional artists, college level instructors, or both. From the 12,000 regional entries from the 18 regions, approximately 2,500 are selected to enter the state judging. State jurors then select only 300 for the actual exhibition. Scholarships are offered to seniors by over 30 universities and colleges of art. These 7 students from MHS had 8 of the 300 artworks hanging in the Ohio Governor's Youth Art Exhibition at the James A. Rhodes Office Tower in Columbus, Ohio from April 14th - May 17th: Kaitlin Boyd (Sweet Reflection), Meghan Calvert (Weight of the World), Kayla Gabor (My Pal And I), Rebecca Konte (Blossoming Joy, Daddy's Little Angels), Tyler Powell (Saigon Lights), Matthew Sikon (Goldilocks), and Aidan Walsh (Magic Kingdom).
Outstanding Student Awards are given each year by the Council to those students selected by their high school advisors and instructors. The award, honoring outstanding achievement in Graphics, is presented to selected students at the annual Hall of Distinction ceremony. This year's recipient for MHS was senior, Kathleen Flaherty.

The Benny Awards is an annual Graphic Arts contest for high school students where graphic arts work in the categories of Printing and Graphic Design are judged and cash awards and recognition plaques are presented during the Hall of Distinction ceremony. This competition is viewed as valuable experience for any student interested in pursuing a career in the graphic arts field. The competition offers students their first exposure to review of their work by a panel of area professionals. All entries are displayed at the annual Printing Week celebration.

2012 Printing Competition Winners:
First Place
Samantha Huth
Second Place
Ashley Lyons
Third Place - tie
Morgan Brunner
Michalla Cristlip
Honorable Mentions
Rory Glenn
Rachel Plott (Qty 2)
Matt Sikson
Aidan Walsh
Lake & Geauga Counties Secondary Art Awards (January 29 - February 26, 2012) at The Gallery of Lakeland Community College included 450 works of art selected from over 700 entries by young artists from 20 high school and middle schools in Lake and Geauga Counties. Categories represented include photography, sculpture, ceramics, jewelry, painting, printmaking, drawing and mixed media. Local art teachers, including teachers from MHS, volunteer their time and effort to run the show. 127 Mentor Schools student works were featured in this show. Judges for this show were local artists and/or former art educators from the area. Artwork was judged using the following awards: Honorable Mention, Gold Seal, Blue Ribbon, Scholarship/Cash Award. Artwork by students Lisa Tan, Samantha Vlastic and Ashley Lyons were featured on this year’s poster. MHS winners included: Talent Grant & Cash Award; Meghan Calvert Lake County Scholarship (7-9) winner: Kayla Gabor Best of Show (7-9) Grace Nemeckay Best of 11th Grade Millie Wright Best of 10th Grade Becca Best of 9th Grade Victoria Rykaczewski Cash Award Ashley Lyons Cash Award Lindsay Gabor Cash Award Alexis Goyance Cash Award Carolina Kane Cash Award Maisaa Kawkabani Cash Award Abby Warnock Cash Award Alexandra Seibt Cash Award Ussery Megan Cash Award Patterson Jessica Cash Award Kremer Alexandra Cash Award Shadia Kawkabani Cash Award Lisa Tan
Wait! Mrs. Kane!
You are not going to believe what happened!

Burp

May I?

This is taking FOREVER!

I have a question.

Wait...what just happened?

I feel like...I just want to be everyone today!

Why would I do THAT?

Giggle...giggle...giggle.

OMG, Mrs. Kane!
Are you CRYING?

Out of all of the Science Olympiad teams in the State of Ohio, only 40 make it to the State Competition each year at both the middle school and high school levels. This year, Mentor Schools is proud that Mentor High School, Shore Middle School and Memorial Middle School qualified to compete in Columbus. Mentor High School’s Science Olympiad Team finished third in the state among other high schools, while winning the most medals in school history. MHS students finished first in the following categories: Chemistry Lab, Experimental Design, Forensics, Protein Modeling and Sounds of Music. They took second place honors in Disease Detectives, Optics, Robot Arm, Towers and Picture This and third place in Gravity Vehicle and Helicopters.

Congratulations to all! We are proud of your fantastic representation of our district in such prestigious competition!

Community service projects are a great example of how Mentor High School students show their Cardinal Pride. Within the last year, Mentor High School students raised more than $5,000 in donations for the United Way and collected more than 11,000 pounds of food for the Feed Lake County efforts. Every school year, our students host two blood drives for the American Red Cross, donating hundreds of pints of blood to potentially help save lives. And, on average, a graduating class from Mentor High School will have logged about 30,000 community service hours along their journey through Mentor Schools.

Our Blood Mobile results this year: 165 productive pints were collected. This can help 495 hospital patients!
Not only does Ecology Club help with Spring clean-up, these students are also in charge of taking care of the recycling in our building all year long.
On March 8th and 9th, our Mock Trial Team participated in the state competition in Columbus. This was the youngest team to ever go to states from Mentor! The team included: Heather Bosau, Jacob Demesa, Peter Kunka, Ryan Laganson, Charrielle McDade, Peggy Magro, Vincent Marrazzo, Emily Penkowski, Garrett Pool, Alaina Riera.

Congrats to all members of Mock Trial honored by the Lake County Bar Association for their accomplishments! Steven Apicella, Margaret Basie, Maggie Davis, Julia DiSanto, Ryan Laganson, Sarah Perry.

The Mock Trial Competition Team also competed at the Lake County Courthouse in February and swept the awards for Best Attorney and Best Witness. Best Attorney awards: Peter Kunka, Charrielle McDade, Corey Debela, Scott McKown. Best Witness awards: Vincent Marrazzo, Peggy Magro, Margaret Basie, Andrew Brzeczkowski.
The 1920s Day in-school field trip for students in College 11 and Honors 10 English classes took place during most of the day on May 3rd. Students participated by dressing up for this fun event!
