The Alma Mater

Some the blue and gold do cherish,
Some the cream and crimson choose,
Ah, but we would rather perish
Than the red and white should lose.
Oh, the T. H. S. is loyal
To her colors all are true,
With a spirit rich and loyal
When there's earnest work to do.

We have fought with mind and muscle
We have often won the game,
Though the captain made us hustle,
We enjoyed it all the same.
With a record bright with glory
With defeat and victory lined,
We are here to tell the story
Of the red and white entwined.

Let us always keep a memory
Of our comrades far and near,
For they helped us on to victory
With a right good will and cheer.
There are greater glories surely,
In the days that are to be,
So we'll hold our faith securely
Till our ship comes in from the sea.

SAFETY PATROL

The School Boy Patrol or Safety Patrol was organized in 1948 through the Miami County Automobile Association. The following year Floyd (Sonny) Fair, representative for the Police Department, took direct charge of the boys. The Chamber of Commerce purchased the "Safety Boys" to be placed at dangerous intersections. The boys, under Sonny's direction, further organized themselves into a club and they developed a very effective organization.

Sonny resigned leadership due to a change in occupation and the Safety Patrol was then placed under the guide of the High School Student Council, with Bruce Barnhart being the Council's direct leader.

The boys have recently been presented with rain coats and hats and new safety signs by the Tipp City Lions Club.

We wish to thank the boys for their fine work through this difficult winter and also to express our thanks to the Lions Club for their interest and helpfulness.

BOARD OF EDUCATION

The Board of Education is beginning to realize results from several years of hard work for a new school building. The problem was a very difficult one since new facilities were badly needed not only for the elementary school but also for the expanded program for the high school.

They called in the services of the Bureau of Education and Research of Ohio State University, in only two instances: 1. To make a survey of building needs. 2. To assist in the educational planning of the building.

Our Board of Education is to be highly complimented for the work that they have done and are doing and we will all be very proud of our new school.

HOME-SOCIAL CLUB

The Home-School Club was organized during the 49-50 school year, with Mrs. Floyd Lachey as the first president. The immediate purpose of the club was to create a close relationship between the home and school and that through this relationship and the better understanding of the home and school, problems of the boys and girls would be better understood.

Mrs. Stella Clawson served as president during the 50-51 school year and under her direction and that of Lorraine Wollenhaupt, Chairman of the Finance Committee, several hundred dollars to buy equipment for the new school building has been raised.

We congratulate the Club for two years of excellent work and co-operation.

BUS DRIVERS

All of our school buses are Board owned and operated. A fleet of five new buses was purchased August 1945, and have been used not only for transporting pupils to and from school but also to provide transportation for school organizations that are participating in interscholastic or educational activities, such as, music, dramatics, and athletics.

We have five drivers and two regular substitutes. These men must not only qualify as competent drivers but also must pass a medical examination before they can be certified.

Bus driving is a very responsible task. The drivers are confronted always with every type of weather and road condition and at the same time he must be very mindful of the comfort and condition of his boys and girls.

We are proud of the record of our drivers. They have driven our buses over 200,000 miles without an accident. We congratulate them for this fine record.

For the first time since the Spring of 1948 Tippecanoe High School is represented on the cinder paths. At this writing there have been five meets scheduled for the squad. Included in this schedule is the first annual Little Southwestern Track and Field Meet which will be held at West Carrollton.

Approximately thirty boys turned out for the squad. Although the team will be starting "from scratch" enthusiasm is fine and it is hoped that before the season is over the team will make definite progress.
It is unusual to have our baseball team pictured in the annual since the book goes to press before the season starts. However, this year we lined the boys up outside in the cold and snapped their picture.

Sixteen boys reported for the team. There are ten games scheduled for this spring. If the weather is favorable we hope to have a good season. Good luck, fellows!

HOMECOMING 1950

Fireworks and the Star Spangled Banner and flag raising opened the homecoming ceremonies.

To the familiar strains of "Pomp and Circumstance," three shining convertibles entered the football field. The cars carried the queen and her five attendants. When the cars approached the platform the girls were escorted from the cars by the drum majorettes.

Queen, Dottie Barker, wore a white formal with a blue shortie coat and carried a spray of red roses. Attending the queen were Georgia Stager, maid of honor; Annabelle Campbell, senior attendant; Elise Eubel, junior attendant; Jean Wilson, sophomore attendant; and Joan Havens, freshman attendant. Each of the girls wore a pastel formal and carried colonial bouquets of mums.

The girls were introduced to the audience by Donald Seybold, president of the student council. Queen Dottie gave a short acceptance speech. The king of football, Charles Shoop, then placed a crown on the queen, with the traditional kiss following. The football was then given Chuck by the queen.

"Drums of Death" was the title of the play presented by the junior class and directed by Mr. Thomas, March 29.

The play took place in the Bailey home on the desolate island of Haiti off the Atlantic Coast. "Sheldon Harley" (Bill Cline) was in charge of this mansion. "Jules" (Dit Clawson) "Celeste" (Darlene Cox) and "Mrs. Oakely" (Mary Havens) gave very good performances as servants in the household.

Mr. Bailey, who had been on his death bed, had suddenly disappeared and coming to the scene were his four relatives, "Paula Bailey" (Janice Cooper), "Mrs. Gillet" (Martha Dick), "Amelia Gillet" (Shirley Eidemiller), and "Eugenia Bowles" (Lois Green), who were informed of the incident by mysteriously sent telegrams.

Charles Rowley played the part of "Dr. Cameron" who was really not Dr. Cameron at all. Larry Atherton portrayed "Newton Cooper" the sheriff, who could not find his badge and had so much trouble finding his way around the Bailey mansion.

Sheldon solves the mystery of the drums which seemed to be connected in some way with a precious stone owned by Mr. Bailey. Dr. Cameron, who really is a Mr. Thompson was trying to secure this stone through the efforts of Jules and Celeste.

The play was a great success and enjoyed by all.
SENIOR CLASS PLAY

The senior class play, "A Case of Springtime" was presented December 20, in the township auditorium.

Fred English is Bob Parker, a misunderstood eighteen year old, who was always getting into trouble. His girl friend Joan, Connie Horton, was the high school principal's daughter and she angered him by going out with college men. He also had a sister Betty, Janet Wray, who had too many troubles of her own to worry about his.

Dickie, Buck Byrkett, was his brother and is taking a muscle building course. His girl friend is Gwen, Miriam Burnside, who worships the ground he walks on.

Bob's parents were portrayed by Bob White and Annabelle Campbell. They are always wondering what Bob will do next.

Mr. Abernaker, John Ball, is the principal and is fed up with Bob's magic tricks because they always backfire. Eddie, Gregor Holtvoigt, is Joan's brother and Betty adores him.

The P. T. A. ladies, Janet Johnson, Nancy Clawson, Barbara Kyle, come to the Parker home and are victims of one of Dickie's tricks and this proved to be very interesting.

The law then comes and is portrayed by Dick Grady. He tries to straighten everything out but Miss Bright, Geneva Plank, a lady from the zoo helps Bob out of his trouble and everyone is happy.

The play was a big success and everyone enjoyed it.

SENIOR CLASS HISTORY

In the early autumn of the year nineteen hundred and thirty nine, we, the class of fifty one, proud and happy, passed through the portals of Tippecanoe. Many winters have come and gone since then; many chapters in the Book of Life have been written, and miraculous changes have been made by the hand of Time and faculty.

We were troubled at first for upon our entrance we little realized the meaning of the word education. Yet we strove earnestly and with much spirit to make these new surroundings seem like a home in which a life's work would begin.

Twenty six of us have come through the twelve years together. They are Bruce Anderson, Miriam Burnside, Bernard Byrckett, Annabelle Campbell, Nadine Cooper, Carl Clingan, Carl Eubel, Stanley Fry, Gregor Holtvoigt, Janet Johnson, Connor Horton, Jerrie Jackson, Margaret Ann Jordan, Barbara Fair, Beverly Koogler, Robert Lenehan, Charles Shoop, Nancy Protzman, Joan Pearson, Donald Seybold, Geneva Plank, Janet Wray, Roscoe Detrick, Ted Smith, Patty Davis, and Wayne Biser.

In the second and third grades, Lucille Bodiker from Idaho, Jim Booher from New Lebanon, Richard Grady from Bethel, Donald Brooks from Dayton (who left at the end of the first grade), and Jim Goubeaux from Dayton came to our school.

During the elementary grades we ceased to have much activity or excitement but settled down to learning the three R's.

Eddie Kistler from Troy, Dale Brown from West Milton, Bill and Jim Thomas from Columbus, Robert White from Venedocia, Fred English from Sidney, Barbara Kyle from Dayton, and Richard Long from Lostcreek, were welcomed during the fourth, fifth, and sixth grades.

As we entered Junior High School, John Ball from Utica, Georgia Allen from Bradford, Leroy Price from Dayton, and Dorothy Barker from Washington township joined us.

Entering high school was far different from what we had anticipated. We were a bit green at first but as time lapsed, we soon became accustomed to the routine and then began to work with a will. As freshmen, we were joined by Nada Greenwood from West Milton, Nancy Clawson from Christiansburg, and Jim Lawrie from Lynchburg.

Our sophomore year found Patricia Ballard from Bethel, Eugene Carr from Trotwood, and Richard Wampler (who spent his ninth year at Bethel) being welcomed to the class. The basketball team won the Stillwater Valley League Championship and the football team was runner up to the champions by losing only one game during the season. Our high school band captured a first rating in the state contest this year for the first time in the school's history. We had a lot of fun being sophomores and only regretted having to give up our place to the freshmen who followed us.

During our junior year we were joined by Georgia Stager from Pleasant Hill. This year as we continued to grow in wisdom we began to exhibit our power and desire for future success. The football team for the first time in the history of Tippecanoe went to complete an undefeated season and the high school band again won another first rating at the state contest. There will always be lingering memories of our first play, "Henrietta the Eighth," in which a lot of class members took part. We are also very proud to be wearing the first class rings which bear the school seal, which was donated to the school last year.

Richard Renner from Indiana, Tom Horne from Texas (who came to Tippecanoe during the sixth grade from Bethel and left the latter part of his sophomore year), and Roberta Dick from Bethel (who left the latter part of her third year) were added to the group during our senior year. The Southwestern Buckeye League Championship went to Tippecanoe's football team for the second consecutive year. "A Case of Springtime" which will always be remembered as one of our many enjoyments was very successful in the eyes of the public.

Each one of us now has confidence in himself and feels sure that he has now reached the goal for which he has been striving. We hope that this goal will enable us to become better men and women with a firm grasp on higher and worthwhile objects of life.

On the night of commencement we will proudly receive our diplomas, the symbol of a goal reached. At this point as we begin this new phase of life we will be determined to aim higher and achieve higher levels in the future. A new life is in front of us and we hope that we may graduate into it becoming fifty three intelligent and better citizens.
While reading the daily issue of the Tipp Herald I came upon the story of the reunion of the class of 1951.

Connie Horton, editor of the Herald, outdid herself in reporting the facts and figures of her various former classmates.

Bernard Byrket, famous brain surgeon, and his assistant, Beverly Koogler, took time off from their duties as head and chief assistant of the Mayo Clinic in order to come to the reunion.

Bill and Jim Thomas, co-owners of Dick's car-wash, were busy all day shining up the automobiles of their former school mates.

Gene Carr and Stanley Fry, considered a second Martin and Lewis, furnished a good deal of the entertainment for the evening.

Nadine Cooper, famous portrait painter, who is now between husbands came back to Tipp searching for another. Georgia Stager, another gay divorcee, was also seen looking for likely prospects.

Fred English flew his newest jet plane to the party. He is called the speediest thing in aviation.

There are a lot of famous politicians from the "51" gang. Richard Wampler, president of the United States, is on another short vacation. Janet Johnson, his Secretary of Treasury, left her pressing affairs in Washington so that she too could recall old memories. Georgia Allen has finally reached her goal in life. She is now a senator from Ohio and is the majority leader of the senate. These three national law makers were talking shop all evening.

Joann Pearson and Geneva Plank are both settled down to the career of home making and raising a family.

Richard Long and Leroy Price, famous song writing team, previewed their score for Bob White's latest Broadway show "North Atlantic."

Bob Lenehan, professional basketball player, arrived a little late for his game earlier in the evening. Jim Lawrie, heavy weight champion, and his manager, Richard Renner, were there for awhile, but Jim had to leave early as he was in training for a bout in Madison Square Garden. Jim Goubeaux, star goalie for the Miami Valley Bruins," is another member of the professional sports brotherhood. Jim improves with each stellar performance.

Don Seybold, Tipp City's representative to the U. N., is looking very fit considering the fact that Russia is still walking out while the U. N. is trying to run.

Dale Brown has gained national recognition for his development of a radar controlled forming technique.

Eugene Detrick, Superintendent of Tippecanoe School, and his secretary Nancy Clawson came looking very tired after a long day.

Gregor Holtvoigt and Pat Ballard respective-ly, are now heads of the chemistry department and commercial department.

John Ball, conductor of the New York Symphony, arrived with his French horn. Bruce Anderson, famous crooner, was comparing notes with John.

Big business tycoon, Janet Wray is now accumulating a fortune when she bought out Greyhound Bus Lines.

Dick Grady has finally finished dentists school and is setting up shop here in Tipp City.

Jim Boocher, movie star and ladies' man, spent the evening running away from women. Carl Eubel, adagio dancer, did a few numbers for the enjoyment of his audience.

Nada Greenwood, T. V. star, is climbing the hooper ratings quickly. Her future is assured.

The best dressed women of the world award was given to Barbara Kyle last week. Annabelle Campbell, cover girl and model, also put in her appearance at the party.

Chuck Shoop, owner of 'The Smokery,' closed the store early so that he too could join in the celebration.

Lucille Bodiker, a world renowned lecturer on physignomy, arrived with Pat Davis a famous clothes designer. Her fall showings start next week.

The glamorous lady wrestler, Miriam Burnside, was looking especially "chic" tonight.

Don Brooks, engineering genius, came from New York where his design for a bridge across the Atlantic was approved and accepted.

Ed Knisley, salesman from Thorton's, was talking to his boss, Nancy Protzman, who is planning her big fall sales promotion.

Wayne Biser, hot rod racer, was looking especially happy this evening for he had just won the Indianapolis 500 yesterday.

Dottie Barker, the new Miss America, arrived with Roberta Dick, the manager of Tipp Theater. Dottie is giving an engagement at the theater this week.

Barbara Fair, Ziegfield Girl, was talking to Peggy Jordan, gossip columnist, about her latest romance.

Jerrie Jackson, head dietitian from Stephens College planned the menu for this evenings entertainment.

Ted Smith, designer for beautiful women, was looking the fiold over for an exceptional wife.

The owner of one half of Texas arrived on a pony. Yes, you guessed it, Tom Horne looking as healthy as ever.

Ed Clingan, who just went over Niagara Falls in a barrel, came wearing one. His business affairs haven't been going too well.

It was interesting to hear from this class again. Let's hope the next reunion will be as successful as this one was.
LAST WILL and TESTAMENT

I, GEORGIA ALLEN, will my long nose for news to Mr. Berkebile.
